ANDREW RODDOCK CHALLENGE – Airways Anton

Judge's comments: Lovely venue and very well run show. Shame so few goats. This show would benefit from being held later in the year when stock are older and in better coat.As it was,most of my kids were under 2 months!Goatlings were top quality though and best male, Airways Anton, has matured and improved since last year.

Judge's Comments: Friendly, well run show in a great venue. Many goats understandably not in summer coat yet. BIS a neat BS 1st kidder with a good udder when full. Reserve a mature BT milking well. Promising 1st kidders at 3rd and 4th in the IP and also some promising young stock.

Judge's comments: I never thought I would give a 10 yr old goat Best in Show but churchview Sheida was right up on her pasterns, lovely soft elastic udder with a good yield and was deservedly top of the IP. Reserve Toyehill Cindy a very nice milker and worthy of Reserve CC. Judging in a ring 2" deep in shavings was a bit of a challenge!

Judge's comments: Best in Show Churchview Sheida exceptional at 10 yrs old, a triumph in UK goatkeeping. Good legs,udder and milk yield,together with excellent show condition left all other milkers wanting. Reserve Toyehill Starlet a smart and showy BT. Youngstock very promising. A well run show which deserved a better entry.

Judge's comments: Aphrodite Shaunie's udder is as impressive empty as full, well attached with no hint of weakness, but I was greatly taken with Montrue Peace who is slightly longer but could do with a little more front attachment.The youngstock of the Lyncol/Montrue herd is outstanding,hopefully they will impress in 2011.

Judge's Comments: Nice show of quality goats. Best in show Toddbrook Bucklebury a kidded kid running through with lovely conformation, milking well and was an outstanding winner. Some very good Boer goats and they sensibly had their own classes and seemed to attract a lot of interest from the big public crowd. BGS should be doing all we can to help Boer goats as they have a big future.

Best milker Ashdene Mischa, reserve Toddbrook Bucklebury, Best Kid Ashdene Gretel reserve Ashdene Narnia, Best Goatling, Ashdene Minerva. Not quite a complete 'white out' reserve goatling being Colemans Pia a good stamp of AN. Well run friendly show. Thank you stewards for doing such a good job.

Judge's comments: Some well filled classes, quality animals and Scottish hospitality made the long trip to Edinburgh worthwhile. Maybourne Tilly is a well balanced and constructed AOV who flows from head to tail. Lovels Glen Comet carries plenty of milk in her shapely, well attached udder. BEST GOATLING – Jemaly Camelina

BEST KID – Prastens Capriccio

SPRINGFIELD LEALTY TROPHY – Timyon Jenisara

Judge's comments: Some very nice goats at top of the line – the Timyon & Wrotham goats were all turned out beautifully & milking well. Top honours went to the two Saanens – I just preferred Jenisara over Jemini – slightly better breed type and slightly nicer feel to the udder – but it was very close. Unfortunately as good as the goats at the top were, there were a number of goats in poor condition for this time of year.

Judge's comments: Lovely venue and very well run show. Shame so few goats. This show would benefit from being held later in the year when stock are older and in better coat. As it was, most of my kids were under 2 months! Goatlings were top quality though and best male, Airways Anton, has matured and improved since last year.

Judge's Comments: Nice show of quality goats. Best in show Toddbrook Bucklebury a kidded kid running through with lovely conformation, milking well and was an outstanding winner. Some very good Boer goats and they sensibly had their own classes and seemed to attract a lot of interest from the big public crowd. BGS should be doing all we can to help Boer goats as they have a big future.

BEST GOATLING – Jermaly Camelina

BEST KID – Prastens Capriccio

SPRINGFIELD LEALTY TROPHY – Timyon Jenisara

Judge's comments: Some very nice goats at top of the line – the Timyon & Wrotham goats were all turned out beautifully & milking well. Top honours went to the two Saanens – I just preferred Jenisara over Jemini – slightly better breed type and slightly nicer feel to the udder – but it was very close. Unfortunately as good as the goats at the top were, there were a number of goats in poor condition for this time of year.

Judge's Comments: Nitram Ayliesha is a very smart AN with well fixed udder. She is of good type. The strongest competition in the show I felt came from the male classes of all ages. Superb conformation alongside good bone and breed standard type. Very promising youngstock in both female and male classes. Privilege to have well supported classes to judge.

Judge's Comments: To be quite blunt this show was a complete waste of time, effort and money. A total of 10 goats forward (both male and female) does not constitute a breed show. Perhaps the time has come to re-evaluate the show. Overall I was not impressed with the adult stock, but thought the Lyncol goatling, female and male kids superb.

Judge's Comments: An excellent show with at least four CC quality milkers forward. Ashdene Mischa remains outstanding with her gentle flow, superb udder and teats, a well constructed frame on sound legs and feet. Lyncol Betemba excels in rump and top line and, again just flows. Some excellent youngstock forward, which augurs well for the breed.

BEST GOATLING – Rogerian Shyann

BEST FEMALE KID – Benjamin Daffodil

Judge's comments: The top milker is an excellent type BT milking very well but not in condition yet for CC status. Reserve milker in very good condition but insufficient milk for CC status. A very difficult IP to sort, those animals in top show condition not enough milk. CCs must be earned and justified at a point in time of award. Some very nice youngstock, Rogerian Shyann sound goatling. A well run show.

BEST GOATLING – Sunrian Comeeka

BEST KID – Maxson Shamut

Judge's Comments: Few exhibits but several lovely milkers. The 4kg AM yield of the BT Charnocks Bronzena swayed me to place her over Sunrian Cillvena a goat with magnificent bone, topline and udder. Charnocks Bronsybil a lovely AOV too but topline and udder texture not that of Cillvena. Sunrian Comeeka a smart goatling of BT type. A good show worthy of more support.

Mineshop Milton a smart and lengthy buckling, just needs time to fill out. Hurstpier Basil a well made quality AN male kid with most attractive mottled markings.

Judge's Comments: A good turnout of milkers with some lovely animals. Two excellent Togg 1st kidders milking well with BIS showing class and quality. Reserve a smart BT type AOV. Some promising youngstock with no "tail" to the classes. Good to see some white milkers at last! A well-run and enjoyable show in a lovely setting.

Judge's Comments: Lyncol Betemba a lovely quality animal whose topline and yield placed her over Montrue Peace both animals having good fore attachments and shown with immaculate presentation. I also liked Toddbrook Zamora a very nice AOV with good udder and level topline. Aphrodite Sofi very smart BT goatling. BS kid class exceptional quality in all nine exhibits.

Judge's Comments: Nice standard of goats throughout with the Guilden BT's to the fore. It was impressive to note that apart from producing 3 out of the top 6 goats, they also bred the 3rd and their male sired the 4th placed goat. The very lovely Guilden Crystal was also Best Goatling. A special mention to Homeacres Hosanna who produced a massive 4.65kg on this late August morning.

BEST GOATLING – Aphrodite Andorra

BEST KID – Montrue Mazurka

Judge's Comments: A lovely quaint little show on the Yorkshire Moors. A pleasure to judge. Goat numbers not large but some quality amongst them. Four super goats in strong competition for the CC. Toddbrook Zamora at her best showing lovely condition and holding her milk running through – a worthy best in show. BS goatling Aphrodite Andorra very promising. BS kids Montrue Mazurka and Mumbi exciting prospects for next year.

BEST KID – Ardross Xena

Judge's Comments: A nice friendly show with an excellent turnout. The standard of the goats was very consistent all through the classes. On the day I just preferred Lyonesse over Colleen. At 7 years of age she is still very sound and milking well. Boxo Natalie, a very smart AOV, just edged Best Goatling whilst Ardross Zena has matured into a very striking BS kid.

BEST GOATLING – Oakvale Acorn

BEST KID – Teilos Angelina

Judge's Comments: An excellent show, well run with spacious accommodation in a superb setting. Three BT's topped the IP Cheswell Octakimba, an upstanding goat who just flows under your hand. An excellent udder, well attached with an am yield of 2.85kg R/T. Preferred her udder floor to that of Teilos Anna. Oakvale Acorn is an extremely large, well grown BS goatling full of quality, just what the breed need, whilst similarly Teilos Angelina is a quality, well grown BT kid, full of promise.

An excellent entry for the last show of the season. Ashdene Mischa is a credit to her owner/breeder, superbly constructed with an AM yield of 3kg closely followed by Lyncol Betemba, full dairy type and well attached udder. Ashdene Marypoppns is full of promise, whilst Montrue Mazurka has superb growth and quality. I was very impressed with a majority of excellent AM yields.

Pity some exhibitors had their entries returned but a good standard nevertheless. BIS a first kidder running through very well with a well attached udder, closely followed by a very smart AN with a beautiful udder also milking well, just marred by a blemish. Some attractive youngstock, particularly amongst the AN's & BS's. A well-run and enjoyable show with a relaxed atmosphere and excellent facilities.
