Judges Comments

White goats predominated and there were some creditable milk yields. To my eye shaving and close body clipping does not improve the appearance of feel of a goat. Hair probably comes last in the line of nutrition, especially after the strain of kidding. The old coat will soon come out when the goat is ready to grow her new coat.

The BS milker class was of excellent quality. The first four being the 1st four in the IP. Ashdene Mischa just won on maturity, Kattern Georgie milking well and looking well at six years old. A pleasure to judge this well run and well attended show.

Judge's Comments: BIS Cheswell Octakimba is a well boned BT with good topline, a super udder and gave 4.20kg am milk. Reserve Teilos Anska another very smart BT, a first kidder just not as mature as Octakimba. AN Daycroft Galaxy also a first kidder was very striking, who needs more milk to get top of the line. A very friendly show. Needs more entries next year.

JUDGES COMMENTS:

Some exhibits needed more time to come into show condition. Ladeside Lantana and Balafark Sheni out on their own for a combination of type and conformation. Monochrome Mistake a good looking white AOV did not have enough milk to compete for a higher place; she is the dam of the Best Goatling Benjamin Daffodil, a well grown and smart BA type

Caulan Mystique a worthy Best In Show, taking the CC & IPCC with just short of 6.5kg of milk on the day.

ResBIS Nightshade Strumpet a lovely BS 1st kidder took my eye in a highly competitive line up of BS milkers.

Worthy of mention two lovely Toggenburg milkers Treleth Donau & Gorsefield Pretzel both with lovely udders with a respectable amount of milk. A highly professionally run show that had a friendly atmosphere& hospitality second to none.

BEST GOATLING Taitstown Nicole

BEST FEMALE KID Kerryjo Bobo

Cup for the Best "She Goat" Churchview Devnet

JUDGES COMMENTS:

Although the show attracted a small entry there were only two absentees. Some good quality stock on show all in excellent condition. I particularly liked Churchview Devnet, a BS milker with a lovely udder and milking well. Taitstown Nicole is an outstanding BA goatling and Kerryjo Bobo an attractive AN kid.

A disappointing number of males entered but probably a sign of the times. Fortunately the males present were good examples of their breeds.

JUDGES COMMENTS:

Guilden Glory and Guilden Gail, both very sound goats, milking extremely well, were well deserved winners.

The Homeacres team were a credit to their owner. Homeacres Hannamarie was a very impressive best goatling,

reserve Guilden Blueafon a well grown BT. Best kid was the very showy Carrick Bonnie and reserve best kid Talana Sparkle.

JUDGES COMMENTS:

Always a pleasure to judge in the North east - an enjoyable and well run show. Some attractive milkers headed by a very smart AOV, Aphrodite Shamara, pressed hard by Lyncol Betemba. Mention also for Lyncol Rajah, milking well and Ramside Tamsin, a very attractive BA. Milk yields were only average with no outstanding morning weights. Some very promising youngster in the BT, BS and AOV classes.

A show with a number of good quality goats forward. On the day the top six in the IP delighted my eye. Goatling and kid classes well supported.

JUDGES COMMENTS:

A superb show with excellent facilities. I was very impressed with the udders/attachments of the first four in the IP. Teilos Anna is a well made animal with plenty of milk who just flows under your hand. Treleth Donau's udder attachment is impressive, very well put on with no sign of weakness. Full of breed type, as is Gorsefield Pretzel whose udder was slightly not so appealing, when empty, as Donau's. The Teilos youngstock is well grown and of a certain type. The AN's need vast improvement but overall an excellent entry.

BEST FEMALE KID Highschool Downton,

JUDGES COMMENTS:

An excellent, well run "back to back" show which deserves more entries. BIS a smart BT with lovely udder and teats, followed by a BS milking well. The Vicarshill team members were a great credit to their owners - perhaps the best GG milker class I have seen. Very few youngstock, but perhaps this is a sign of the times.

BEST GOATLING Kindur Marcie

BEST FEMALE KID Whinleys Katy

JUDGES COMMENTS:

A show with excellent facilities, sadly though a small entry decimated by absentees. Two extremely worthy milkers topped the IP. Sunrian Cillvena with 5kgs am yield has a very well attached udder, flows under your hand, just changing her coat. Lindway Candace at 8 years old gives no impression of age. The goatling Kindur Marcie, I called a mini milker just needs to grow on whilst the AN kid Whinleys Katy full of type and well grown.

JUDGES COMMENTS:

Kindur Charlie is a superb buckling having size, length and a lovely topline & I found it most difficult to put the also impressive Aphrodite Andros over him but made maturity with age of my discriminator of justification for doing so. I congratulate both exhibitors onto two superb animals both being immaculately presented and both will, I hope, do the BS Breed much good.

Wadehouse Nigell an absolute stunner of a kid for size, bone & topline, one also for future breed impact I trust.

A very well organised show and a pleasure to judge

Quality exceeded quantity on the day. Ashdene Mischa absolute in symmetry and perfection with a wonderful textured and securely attached, shapely udder and she is high yielding. A most beautiful goat quite difficult to

avert your eyes from. No surprise that she was the female half of the "Pairs Championship" later in the day. Aphrodite Arhianna a smart goatling and Wadehouse Nicola a well grown kid with lovely bone and level topline.

Females

Treflor Roxy has a very good udder, nice shape & well fixed attachment and she has a very good topline. She has good bone and is appropriate in size and was an easy winner given the few goats present. Disappointing that more exhibits were not forward in all classes. Come on pure Saanens few you may be, but lets have you out to support your breed and Breed and Society next year.

I am not usually stuck for words when I write a report but then I usually have animals to comment on! - so here goes - Mischsica Giggs is a smart and sound male kid.

JUDGES COMMENTS:

Rouval Wyannalise an easy BIS - has size, stature & rangyness. 3.30 kgs am yield carried well in a shapely udder. Wrotham Takatie a well constructed BT just needs to loose the last of her winter coat. Interesting and challenging to have so many Boer's to judge in the AOV classes. Junior and showmanship well supported with Melissa Starkings a well deserved and knowledgeable winner.

A very friendly show with good facilities. A great shame that there were only a few goats on the day. Best in Show Wadehouse Lilly a promising BS 1st kidder with a strongframe and delightful udder both full & empty. Reserve Best Micean Lucie again a good sized BS with a good shaped & attached udder. Both goats appear to be stamped with the same quality mark. Best goatling Kindur Marcie. Best Kid Micean Nicola. A well grown quality BS kid with a wow factor.

BEST GOATLING Brosta Tullipe

JUDGES COMMENTS: A super show with excellent hospitality. A very strong BT milker class with plenty of milk. BIS and reserve two good BT's just beating a very attractive AN, also milking very well on dairy quality.

Best goatling looked very promising and there were some attractive kids - 18 forward in the AOV class, which was split, must auger well for the future

BEST GOATLING Ashdene Narnia

BEST FEMALE KID Theban Camellia

JUDGES COMMENTS: Ashdene Mischa & Caulan Mystique stood out from a highly competitive field, particularly within BS, T & AOV classes. Other worthy exhibits included Ashdene Marypoppns, who needs a little time, Oakvale Tulip & Kattern Georgie. A strong class of BA's combined sound conformation with excellent black/white. Vicarshill milkers a pleasure to see. Special mention to Oakvale Aster for her astonishing AM yield.

The reason I wanted to judge was to find the perfect goat and today I found her in Ashdene Mischa. She has grown and matured since last year and is very close to perfection. They don't come much better than this!

A most impressive BIS lineup: Ashdene Mischa preferred over her less mature stable mate for her better proportion and udder attachment. I thought the Theban BT youngstock superb. Rivals from the Ashdene, Hanlibill & Naypauls herd pressed them hard however.

JUDGES COMMENTS:

Good to see goats back at the show after all these years. Facilities worthy of a better entry though. Ashdene's looking great and milking well, both Mischa and Marypoppns on really good form. I also liked Nitram Carmel - she has a particular well-attached udder. Another good AN in what has turned out to be an excellent year for the breed.

JUDGES COMMENTS:

A wonderful show to judge in the far north of Scotland. Some high quality stock on show. Guilden Bonbon milking very well at seven years old. Balblair Gardenia a most attractive AN and Balblair Gretel was best goatling. Northcourt Moonrocket is an outstanding AN male well worthy of a CC.

JUDGES COMMENTS:

A good entry with few absentees, some quality with a 4kg am yield. Res a Saanen in full bloom wearing well and an am yield of 4.6kgs. 1st kiddler Rouval Wyannalise another quality goat which should have a good future. Jemaly Belladonna, a good type AN gave 3.6 kg am. Well filled young classes had some top quality animals.

Best Group of three presented to the sponsor, Toddbrook Bucklebury, Doriath and Tumbletwo were outstanding.

Snuffmill Alicia is a very typy BA and a credit to her owners and my runner up Snuffmill Pepsi had a lovely udder that milked out to nothing. It was a pleasure to meet such an enthusiastic group of people and I look forward to going back again in the future.

JUDGES COMMENTS:

A very well run show. Dreadful weather conditions meant that judging had to be done inside. The Aphrodite herd was out in force gaining best milker, best goatling and best kid. As usual they were turned out immaculately. Treval Zafirah was reserve best in show.

CHAMPIONSHIP PARADE 1 Lovlesglen Comet, 2 Guilden Butterkup, 3 Balafark Sheni, 4 Carrick Calliope, 5 Lochinvar Beech, 6 Carrick Cecelia

JUDGES COMMENTS: Lovelesglen Comet deservedly took the top award. A first kidder running through with a good yield and udder shape. She has a very good body with lots of length and capacity. Guilden Butterkup is another good goat and sound throughout, but had to give way to Comet on length and general scope. Some very promising youngstock - I liked several, but Carrick Bonny was an extremely sweet kid. Patchy torrential rain caused a number of absentees.

JUDGES COMMENTS:

A pleasant show in a lovely seaside setting. Best in Show Nightshaze Strumpet a quality BS 1sr kiddier running through showing no signs of easing up for the winter. Reserve BIS Leatland Primrose good BS running through just beaten by Strumpet on udder and milk. Worth mentioning is the beautiful Togg Treleth Donau still milking well and in fantastic condition. Best goatling an impressive AOV Norbarton Daucus showing hope for next year. Best Kid Cossin Chai a lovely BS kid with quality coat.

BEST GOATLING Teilos Angelina

BEST FEMALE KID Teilos Ariananna

JUDGES COMMENTS:

Very well run show thanks to Dave Wharmby and his team of stewards. Great shame that it attracted a low entry.

Teilos herd achieved a clean sweep with best milker, goatling and kid - all turned out in perfect order. Kattern

Georgie milking extremely well was a worthy reserve BIS.

JUDGES COMMENTS:

A friendly show in a superb riverside setting. Well attended with most breeds represented. Treval Zafirah 1st kiddler BS took best in show on condition and maturity. Reserve best promising Saanen 1st kidders Treflor Roxy. Worth mentioning Carrick Calliope a good upstanding BA type but short on milk for size and Muircock Matilda and Muircock Ella, two very striking Golden Guernsey milkers competing in a very strong AOV class.

A most pleasant show to judge - the cattle market facilities were very welcome in the heat and the Derbyshire Goat Club always provides an excellent team of stewards; thank you. BIS an impressive AN milking and looking well, followed by an AOV first kidder, also milking well running through. Some good young stock - Sunrian Cilloette is a particularly attractive kid.

JUDGES COMMENTS:

Dam & daughter headed the IP, BT's full of scope, good whites, both milking well. Cheswell Octakimba slightly better in her udder than her daughter. The GG, Vicarshill Diamond, 3rd in the IP very worthy of a mention.

Excellent type and conformation, but excellent in udder & teats. An excellent entry decimated by absentees, however the goats forward were pleasing to judge and there was plenty of milk.

JUDGES COMMENTS:

Poor support in this section and no male kids present. Ladeside Carrick well presented and a good type, sound in all departments. The other bucklings either poor in feet or lacking breed type. Shortage of males of great concern to future breeding policies. Superb band of enthusiastic junior handlers a pleasure to observe.

JUDGES COMMENTS:

Strongest competition came from a good class of impressive BT milkers all with sound udders. Line headed by Guilden Glory, a good sized BT who milks well and is a good colour. Has her stablemate Guilden Gamble given more milk, she could have just pipped her on udder shape. Homeacres Hosanna had a good topline and nice udder milks well too. Bornarty Furie a well resented and smart BA goatling.

JUDGES COMMENTS:

I was both humbled and inspired when Davis Brace brought out his team of goats at Moorgreen show. A very courageous thing to do. I was equally delighted when I awarded Hetherton Korensa Best In Show. She is a lovely BT 1st kiddler, running through with strong bone structure and a well attached udder, shown in superb condition. Res BIS Nitram Ayliesha a desirable AN also with a well attached udder. The Kinmea & Stefash herds in good form taking Best Goatling & Best Kid, two superb animals that really caught your eye.

JUDGES COMMENTS:

Churchview Sidney a worthy rosette winner with Kerryjo Roly runner up in what was a numerically small male show. Female classes saw better support with Kerryjo Zoe, a smart AN taking the Diploma. Now that the goat importation ban from GB has been lifted it is hoped that shows from 2012 onwards will attract greater numbers of exhibitors across more breeds.

A most hospitable and well run show, with excellent facilities. Although numbers were low, some nice goats forward. The Guilden team to the fore with a nice string of BT milkers. Guilden Glory heading the IP edging out her stablemate Gail on overall ring presence. Pity the shows proximity may limit entry. Excellent show to visit.

JUDGES COMMENTS:

Churchview Devnet deserved her rosette and BCC, but I felt I wanted that something extra to award the CC. Only 9 goats forward in the IP lineup. I was impressed by the BA goatling Taitstown Nicole and the kids Boghill Chloe & Boghill Star caught my eye. A well run show, excellent stewarding.

JUDGES COMMENTS:

Michsica Capricole headed the line at this show. Whilst not being an overly large goat she is beautifully balanced and proportioned carrying a well shaped and attached udder. Reserve, Treflor Ruby was presented in super condition and has a neat udder which she carries high. Some well filled youngstock classes, headed by the elegant Treflor Abi bodes well for the future.

BIS Cheswell Octakimba, a rangy BT with plenty of milk and a good udder, looking well at six years of age. Nitram Ayliesha a very worthy reserve but just a bit short on milk on the day to press for top spot. Sunrian Cillis and Klimova Azra headed the goatlings and Sunrian Cilloette and Nitram Helon the kids.

Some good "running through" yields. The two Ashdene BS milkers took top honours. Mischa is looking very special. A particularly strong AN milker class and a special mention is deserved by Vicarshill Diamond, a super example of a GG with excellent udder, attachment & yield.

JUDGES COMMENTS:

Top award went to Sunrian Cillena. She is a well made goat with a "built to last" conformation and a well attached and shapely udder, also yielding well and running through. Some excellent youngstock. Kindur Marcie and Sunrian Cillisa in the goatlings, whilst Nitram Helon and Dalbury Dingle took my eye in the kids. A well run show

JUDGES COMMENTS:

Liz Abbott provided wonderful facilities for these back to back shows at her home and is to be congratulated on all her hard work. Despite a small entry there were some high quality stck on show. Inparticular I liked Rouval Wyannalise who is a large upstanding AOV milker with a good udder and milking well. It was also good to find a nice British Guernsey milker.

JUDGES COMMENTS:

A friendly well run show with a lot of Cornish team effort evident to run two successful shows in one day. Best adult male, Mineshop Mordechai a handsome BS male with good bone structure and quality coat. reserve adult male Earls Boris a large and impressive AN with good head and ears and a heavy boned frame. Best buckling Coppershel Briar a sound BA with good B/W. Best male kid Boxo Xerxes a quality BA type AOV. Diploma winner and best goatling Leatland Heidi a promising BS. Best female kid Boxo Nightlight, a lovely BA kid. Interesting to note that both the best male & female kids are by the best buckling. David Will really did miss out on some good Cornish hospitality, hope he gets well soon.

JUDGES COMMENTS:

Well run show in lovely surroundings. Philday Dressage edged it on the day with a good am yield of 3.1kg running through. I particularly liked Treflor Roxy but for me a morning yield of 2.3kg from a Swiss goat s just not enough. On the whole the morning yields were disappointing but the quality of youngstock cheered me up considerably.

A good team from the Coppershel herd all shown in sleek condition. How nice to see a tall and lengthy well marked BA milker in Coppershel Moss. The Oakvale goats milking well as always and some nice young stock from the Highschool herd.

The Pomeroy Challenge Cup: Hurstpier Pimienta

JUDGES COMMENTS:

Friendly well run show, good venue and excellent facilities for goat keepers. Numbers down but good quality goats present. I particularly liked the very correct Saanen Valenquin, closely followed by the AOV Myka. Best & Reserve goatlings (AN) were splendid and final lineup of champions and Reserves of all ages most impressive. I liked very much the elegant BA milker.

JUDGES COMMENTS:

Two super goats best and reserve best in show, namely Ashdene Mischa and Ashdene Marypoppns - both milking well and turned out immaculately. Mischa is something special and everything I could wish for in a dairy goat. The success of the British Saanens continued to the youngstock with Ardross Zena, Ashdene Narnia, Ardross Zilvana and Ashdene Mead taking top honours.

JUDGES COMMENTS:

A friendly show with excellent facilities. Best in Show Timyon Jemini a lovely mature pure Saanen milking very well on this cool September morning. Reserve best Hetherton Korensa a super BT with plenty of bone & a good

attached udder. Best Goatling Nitram Selina a promising stylish AN. Best Kid Clippesby Florence a well grown and very pretty Golden Guernsey shown superbly by a young member of the Starkings family "Well done".

JUDGES COMMENTS:

A relaxed show, a good entry and some very good goats made this a very enjoyable show to judge. BS Ashdene Mischa is just superb in every way and is one of my all time favourites. ResBIS Mineshop Monika a first kiddler on her debut had quality, refinement and milk. First six in the IP worthy of a CC. Promising youngstock. A pity there were no BGS Trophies on offer.
