Some nice males forward. I especially liked Aphrodite Sol but unfortunately he was a little lame on one foot or would have been Best In Show.

JUDGES COMMENTS:

Best In Show Churchview Devnet - A BIS BS milking very well. Some very impressive milk yields and no "tail offs" in any classes. A very friendly show to judge.

JUDGES COMMENTS:

A clean sweep for the Aphrodite herd. Aphrodite Salomi shows tremendous promise for the future. She is a superb British Toggenburg who, with a little more time will trouble the best. Aphrodite Athena is an exceptionally grown BS goatling and Aphrodite Shanella is a very strong AOV kid.

JUDGES COMMENTS:

It is nearly 30years since I judged my first Balmoral show (This being my 4th time). The standard of goats this time was by far the best I have seen in Northern Ireland. Three in the top six of the IP giving over 7kgs in 24 hours and the overall standard of milkers was very high. Promising youngstock.

JUDGES COMMENTS:

My first class (S/BS Milkers) was an excellent class. At the top were Ashdene Marypoppns (BS) and Lyncol Rahi (S), both first kidders with Marypoppns running through. Both impressed me on yield, udder conformation and respective breed types. Marypoppns edged into the top spot on the day on her show bloom. Both goats were followed in the class by Montrue Mtomaziwa and Montrue Maziwamto (both BS) - whom I am sure will swap places with others from the same stable during the season and on their day. What a class and a pleasure to judge!

BEST GOATLING Cossin Chime

BEST FEMALE KID Leatland Ribbon**The Pomeroy Trophy** is awarded to Roundswell Amy**JUDGES COMMENTS:**

All goats in good condition bearing in mind the slow spring. Treleth Donau, a lovely goat and the best Toggenburg I have seen for some years. She has a good Toggenburg barrel type body, well attached udder and a good show of milk. 2 AOV's next, both with really good udders and hard to split up. Merjoy Myka just took the lead on condition and bloom. Cossin Chime an outstanding goatling.

JUDGES COMMENTS:

A fair entry, some good goats and some good yields. AN class level in looks and milk. BIS a mature BT at her best in full udders with 4.2kgs milk am. Res a tidy Saanen milking well, followed by a big 1st kidder BS with a very good udder. Young stock numbers disappointing but the best were good. Best Goatling typey.

Best Kid a mature Saanen with Res an eye catching BA.

JUDGES COMMENTS:

A well run show with a good entry. BIS a BS of very high quality. Well proportioned, beautiful udder and plenty of milk. Reserve a neat Toggenburg with a well filled, well shaped udder. Third in the IP a BT with style and a good prospect for later. Some well filled classes of promising youngstock headed by Ashdene Mead and Coppershel Missmolly (goatlings) and Ashdene Matuta and Newtons Scarlet (kids)

To be polite it rained persistently! - But failed to knock the enthusiasm of exhibitors. Weather and Jubilee celebrations kept the public away from a well run show in need of greater support. BIS Anjo Corisia a quality BT good topline and nice udder better fore than the reserve. A small but very sound class of AN milkers with the Best Goatling Nitram Helon an impressive AN of very good type

A well run show, most goats not in condition yet but the hot weather on the day should help to cast winter coats. Two worthy BT's at the top of the IP.

Some excellent goats present. BIS Montrue Maziwamto a lovely BS with lots of scope, good conformation, udder and yield. Reserve Aphrodite Salomi a rangy BT with a good udder and yield. Among the youngstock I particularly liked Aphrodite Athena and Montrue Perceive good breed type and turned out immaculately.

Lyncol Babu and Lyncol Raniah were best and reserve best kids.

JUDGES COMMENTS:

Despite severe weather conditions the show went ahead. Nitram Carmel is an outstanding AN milker and certainly one of the best I have ever seen. She has a beautiful udder, milks well and is the peak of condition. Toddbrook Bucklebury was a worthy reserve BIS. Hanlibill herd of British Alpines shown in lovely condition.

JUDGES COMMENTS:

Anjo Chance is a balanced goat with an impressive udder, Timyon Dinkie a quality Saanen in Reserve.

Mineshop Gazania has excellent udder and head, Anjo Corisia good type but rather lean. Rouval Wyannalise large and handsome but does not milk out so well and Monach Drimys milking well needs change of coat.

JUDGES COMMENTS:

High winds having forced an "abandon ship!" moment just after the IP line up, there were never the less some quality milkers on show despite a high number of absentees. The top three in the line up all of CC standard with Rouval Wyannalise taking top honours - a large, rangy AOV but not without refinement and milking well.

BEST GOATLING Coppershel Missmolly

BEST FEMALE KID Landsmead Tigermoth

JUDGES COMMENTS:

A welcoming show. Some good yields. Donau is a lovely Toggenburg and has stood at the top of my IP line twice now. She has a well attached udder and is milking well. The AN classes were well supported with some nice examples of the breed. Some promising young stock.

Please note: there are no milk results for this show.

JUDGES COMMENTS:

A most enjoyable visit to Scotland made all the more so by a high quality entry. Guilden Gail combines dairy quality with a capacious frame and excellent breed points. Homeacres Hannamay is a scopy first kidder milking well running through for the second time. Braynusen Heidi is an outstanding goatling. My thanks to all concerned.

Generally front udder attachments were poor throughout with pockets. Best - Well built BS 2.75kg running through. Reserve good BT type , needs a bit more time. 3rd in IP very smart AN 1st kidder -stood out but teats a little large. Special mention to an exceptional AN goatling, excellent head and type with good flow through body.

BEST FEMALE KID Lyncol Ramira

JUDGES COMMENTS:

The three Montrue BS first kidders, all yielding 3.10kg having kidded within three days of each other and from the same dam, headed the IP line-up. Beautifully turned out (as were all 14 of the Montrue and Lyncol goats), the elegant and stylish Maziwamto edged in on the day through sheer presence. A special mention for the 4th placed IP goat, Lindway Candace. Nine years old, in lovely condition and running through for the second time, (and beautifully shown by Margaret Hardman) she is a great advert for BT longevity.

BEST BUCKLING Vicarshill Cavalier

BEST MALE KID Treleth Davos

BEST GOATLING Vicarshill Agate

BEST FEMALE KID Treleth Dahlie

JUDGES COMMENTS:

Imported Merilla took the top award for males, despite still having a rough coat he had excellent conformation, very good bone and good breed type. He was followed by two very good bucklings Vicarshill Cavalier and Toddbrook Tantalus - opposites in terms of growth of course and Tantalus should be outstanding when he matures.

In the female section my best and reserve goatlings were Vicarshill Agate and Nightshade Lilac - both very promising - liked them both! Treleth herd must also be congratulated for producing both the best and reserve best female kids and also the best male kid - all outstanding examples of the Toggenburg breed. I must also mention the Vicarshill herd of Golden Guernsey's who seem to be hitting the jackpot regarding correct breed type.

BEST GOATLING Linnavon Aster

BEST FEMALE KID Rogerian Shannon, Ballingall Sugar

JUDGES COMMENTS:

BIS Rogerian Carron, a smart BA with good length and well presented. ResBIS, Ladeside Lantana was a well boned BT. There was some promising youngstock including Best Goatling, Linnavon Aster, who was well shown by her young handler.

JUDGES COMMENTS:

A very pleasant and welcoming show which deserves more support. Some excellent milkers, particularly in the BS, S, BT and AOV classes, with some impressive milk yields; the first 5 in the IP were all very worthy CC winners, and it was a close run thing between a charming BS 1st kidder and a quality BT 1st kidder, milking well running through. Pity that the youngstock classes were marred by absentees. Many thanks to the hard working "senior" stewards.

BEST FEMALE KID Poplartime Jasmin,

JUDGES COMMENTS:

Aphrodite Salomi a very nice type BT good size and length and shapely well attached udder. My reserve more difficult to accurately pinpoint, given after deliberation to Treval Zafirah. Aphrodite Athena a real eye catching BS goatling of lovely quality in terms of size, topline and condition.

JUDGES COMMENTS:

A lovely show, one of a few that had sunshine all day. Best in Show a striking BS milker Mineshop Monika full of quality and impeccably presented. AN first kiddler Earls Cleopatra Res BIS, showing lots of promise with good udder shape, attachment and plenty of milk. Best Goatling Mineshop Mulya displaying the same fine qualities of her dam. Best Kid Emmadell Demi who stood out in a large class of AN's. Nice to see the Fords with the Boxo herd from Devon. I'm sure they had an interesting time in the Lincoln and Derbys counties.

JUDGES COMMENTS:

Two BT's with very good udders and yields easily topped the line; Aphrodite Salome just needed little more cover but was lengthier than Charnocks Bronelka who was in perfect condition as was her stablemate Bronroza. Some very promising BT youngstock forward too, headed by Aphrodite Sambuka and Treval Eric. Very enjoyable show.

BEST MALE KID Kindur Gentleguy

JUDGES COMMENTS:

A pity the male show was not better supported but small entries of males are the norm nowadays. The BS males deservedly took top honours. Kindur Charlie is a big rangy male and a very worthy CC winner. Kindur Giggis is a very promising buckling shown in tip top condition. BEST GOATLING Woodmass's Aphrodite Athena

BEST FEMALE KID Johnson's Dalbury Ellen

JUDGES COMMENTS:

Aphrodite Salomi and Charnocks Bronelka headed a good entry of goats. They are two very nice BT 1st kidders both with good udders, milking well and excellent examples of their breed. Aphrodite Athena just topped her stablemate Andalucia for the best goatling with her range and scope - both full of quality. Dalbury Ellen and Kindur Martese best and reserve best kids.

JUDGES COMMENTS:

It was very pleasing to judge the 40th AN National breed show, especially as I was Chairman of the Society for ten years in it's early days. There was a good entry in most classes of high quality stock which were a pleasure to judge. The show catalogue is a work of art and reminded me of the wonderful AN's I have been privileged to see during these 40 years.

Judge's Comments:

Horsehay Cedogrose is an 'old-fashioned' BA of good size, depth and clean whites. The reserve milker, Jindiamond, was not of sufficient development or condition to be awarded the RBCC. Quite a few of the youngstock looks to be promising. The adult male, Horsehay Jinsimon, is of good type, well developed with excellent bone and sound feet, whilst the only buckling, Wedgewood Poncho, is very immature but of good depth and excellent whites. Sadly, in my opinion, 4 exhibitors totalling 15 exhibits and 1 exhibitor with 16 exhibits does not constitute a National breed show.

JUDGES COMMENTS:

Aphrodite Salomi has a superb udder attachment, fore and aft, with well placed teats combined with an excellent yield. Her topline is not her fortune but for combined type and yield she exceeded on the day. However, I must mention two other milkers – Aphrodite Shamara I thought to be outstanding, very sharp in outline and type, just needing a little more milk, whilst Lindway Candace, at 9 years of age, still has an udder of super texture with good shaped teats. I felt all the youngstock to be promising, which is good for the breed. The only adult male, Anjo Chad, is of excellent type and colour with clean whites. He is well developed on sound feet. I particularly liked the male kid, Guilden Glen, whilst as heavily coated as a Toggenburg, is extremely well constructed with super whites.

BEST BUCKLING: Ardross Zeuxippus

BEST MALE KID: Treleth Davos

JUDGES COMMENTS

As with the females, a good entry decimated by the recent weather conditions. Ardross Zeuxippus combines dairy quality with bone and statue - presented in immaculate condition. Toddbrook Tantalus, an extremely well grown buckling of exceptional dairy quality in superb condition, who just needs to fill out.

JUDGES COMMENTS:

A good entry severely reduced by the recent atrocious weather conditions. BIS Ashdene Marypoppns impressed with her size, structure and shapely udder, coupled with an impressive running through yield. Res BIS Theban Calpurnia flows from nose to tail and is full of class. 3rd in IP Norbarton Daucus is a promising 1st kiddler just lacking the symmetry in her udder for higher honours.

Ashdene Mario is a well grown and striking buckling who oozes quality, combined with his condition and presentation, he was a clear Best in Show winner. The Reserve, Montrue Majai has superb bone and confirmation and as the winner of the Sire & Progeny class is clearly passing his quality onto his offspring. Devonberry Arunson also pleased my eye, being of outstanding Toggenburg type. A pleasure to be able to celebrate Ruth Tyler's 60th Birthday during the lunch break.

JUDGES COMMENTS:

A very well run, enjoyable show. A strong BT milker class provided the BIS and reserve, with a first kidder running through milking very well in peak condition, and a 9 year old running through for the second time, and wearing very well. Some excellent milk yields with three goats giving 4 and over in the morning. A good AN milker class, with 2 nice animals at the top. Youngstock entry marred by unavoidable absentees, but some attractive, well grown animals. Many thanks to all concerned with the organisation of the day.

BEST FEMALE KID Teilos Aroma,

JUDGES COMMENTS:

A very well organised & friendly show which attracted a good entry. Generous applause after each class. BIS a mature & sound BT with a good udder. Res her younger stable mate also with a good udder. A very nice family pair both milking well running through. Klimova Dill stood out too though a little more milk wouldn't hurt. Some very nice stock of all ages. Highschool Downton & Teilos Aroma headed up the youngstock

A record entry decimated due to adverse weather conditions. Hayley Carmel has one of the best udders I have ever seen on any goat, superb, with an AM yield of 3.55kg. Promising youngstock, but showing conditions not good due to water encroaching throughout the marquee.

BEST FEMALE KID Lyncol Babu,

JUDGES COMMENTS:

A superb show; such a shame it was cancelled after the first day. The Montrue and Lyncol goats shown in immaculate condition. Montrue Mtomaziwa 1st kidder full of quality, flows under your hand. Aphrodite Sambuka a BT goatling well grown and striking whilst the two kids are of excellent quality.

As a general comment, I was again impressed with the overall standard of the udder/teat conformation at this, the second female show that I have judged in Northern Ireland. Breeders have clearly done well with this trait. As to the specifics, Churchview Avril showed much better on the day than her stablemate, but both are worthy animals. The other milker classes were more variable but there were some promising first kidders. Lisnoe Roisin could well present a considerable challenge in due course with more milk and greater maturity. Best goatling a well grown BA with excellent coat and clean Swiss markings.

BEST GOATLING Ashdene Mead

BEST FEMALE KID Ashdene Matuta

JUDGES COMMENTS:

Best in show was a British Saanen - Ashdene Marypoppns who was looking and milking well and is a first kidder running through. Reserve was Naypauls Valenquin a good pure Saanen with very good breed type, well attached and shapely udder and milking well, but had to give way on fluidity of movement and rear pasterns. The AN classes were strong both in milkers, goatlings and kids. A very well run and friendly show on a glorious day.

BEST FEMALE KID Klimova Abanibi

JUDGES COMMENTS:

Both Cheswell Octakimba and Sunrian Cillvena are veterans running through and milking exceptionally well. The BT has a better hold on her udder and has neater shoulders than stable mate Dorcas. Both these BT's have good bone and shapely udders. Brynglas Maude is a tidy BA good black and white, finer bone than either BT which stood above her.

JUDGES COMMENTS:

Fantastic show in all aspects, stewarding, quality of stock present, show venue picturesque. Top two goats in the line up took some splitting. Both gave good milk yields and both good type.

BIS the very sound nine year old Lindway Candace, reserve Mineshop Monika a BS 1st kidder milking well and immaculately presented but nowhere near as sound on her feet as Candace. Some good goatlings headed by Mineshop Mulya and Wedgewood Ameretat. Dalbury Ellen and Dalbury Ellie headed the kids.

BEST GOATLING Cossin Chime

BEST FEMALE KID Treleth Dahlie

JUDGES COMMENTS:

Best In Show was the pure Toggenburg, Treleth Donau who is an excellent Toggenburg type with very well attached udder, yield and shown in excellent show condition. She was followed by another outstanding goat in Norcarton Daucus, a very promising AOV first kidder. There were two promising goatlings in Cossin Chime (BS) and Alailah Daintymaid (AOV BA type) and I thought Treleth Dahlie (T) was the pick of the kids.

JUDGES COMMENTS:

Superb showing by the Montrue team with preference for Maziwamto edging it over Mtomaziwa on BS type in relation to size, topline and am yield. The AOV Aphrodite Shamara is a real show animal, just needs a little more milk to top the line. Lyncol kids very smart. Biblin Zinnia a smart 1st kidder BA promise well for the future.

Females

A very well-run show with excellent accommodation. An OUTSTANDING class of BS 1st Kidders, which were a delight to behold; any one of the top five would be a very worthy CC winner - what a way to start the day!

Some promising youngstock from a range of exhibitors, which augers well for the future. Many thanks to stewards and exhibitors for making this a most enjoyable day.

Males

Very well run show, with few males entries unfortunately. BIS a very smart BS buckling which turned out to be out of the BIS milker. Excellent stewarding.

JUDGES COMMENTS:

The Best out of the few, Golden Guernsey male Templeson Commanche, good breed type, sound feet and hocks, quality coat with deep golden pigment which was skin deep. A lovely part of the country to be asked to judge, some breathtaking coastline and if you have the opportunity and the time, nip across to the Orkney Islands, its fantastic. Diane and her enthusiastic group of stewards and goatkeepers will host you a wonderful time.

JUDGES COMMENTS:

A wonderful show of goats to judge with real quality throughout. The Sunrian goats were on top form and fully deserved their awards. Special mention to Lindway Candace a 9 year old BT milking well and running through for the second year. Earls Catriona is a very well proportioned AN 1st kidder with a good udder and yield.

Very disappointing milk yields due to long road journeys endured by the stock to attend this well run show.

Geographical location and midweek show day also do not favour entries. My thanks to the exhibitors who came such distances. All exhibits well handled and well presented.

BIS Ashdene Mario, superb length and rangy, when fully matured will look outstanding. Reserve Anjo Chad wearing very well for a 7 year old. Of the females the Baldock families AN kids impressed, could have been either way round, all by Ivans Trujoseph out of different dams. Overall the Anjo BT's for type and show condition stood out.

BEST GOATLING Mystical Moonjoy,

BEST FEMALE KID Boxo Marigold,

JUDGES COMMENTS:

Wadehouse Lilly a very worthy winner shown in beautiful condition and milking well as a 1st kidder running through. Merjoy Myka a sound AOV milker who carries her milk very well. Among the youngstock I liked the goatlings Mystical Moonjoy and Philday Damzell and the kids Boxo Marigold and Hunningley Harriet.

BIS Treleth Donau an outstanding Toggenburg - the best I've seen to date - Questant Cheriangel a worthy reserve. Quality in abundance across the classes, with BS goatlings and kids particularly pleasing. A pleasant show to judge with friendly exhibitors in good spirits helped by some warm sunshine in such short supply this summer.

BEST MALE KID Churchview Aiden4th

JUDGES COMMENTS:

Aphrodite bucklings worthy winners in the male section while the females were headed up by Biblin Peony, a sound BA. A pleasant show to judge and it was encouraging to see relative newcomers in the ring with imported stock - a much needed addition to the local gene pool.

BEST FEMALE KID Ashdene Medici

JUDGES COMMENTS:

Top three deservedly there. Marypoppons developed wells since last year. Best goatling, good and strong, superb condition. Very smart best kid. Special mention, Naypauls Golden Guernsey's all excellent breed type and wide behind with strong pasterns. Really hurt not to award BCC to first kidder of such standard, 3.30kg am milk running through, udder and teats let it down.

JUDGES COMMENTS:

A pleasant and friendly show to judge with sound animals leading each class. Guilden BT milkers topped the females charts with Homeacres Harbinger standing out in male classes and Guilden Bluebraes a very promising male kid. Marcus Galbraith showed sound judgement in his first show as a probationer.

JUDGES COMMENTS:

The veteran BT Cheswell Octakimba sound in every department, topped the lineup. She has good bone, sparkling whites and a super udder shape and attachment - all sufficient to score her over the very neat and good type pure Togg Treleth Donau. A pleasing class of Coppershel BA milkers also to judge. Very nice BS youngstock with the best goatling and best kid coming from the Highschool herd.

BEST FEMALE KID Ashdene Matuta

JUDGES COMMENTS:

First kidders to the fore, with Ashdene Marypoppns' "finish" allowing her to stand well clear of the field. Of the rest, two promising young Theban milkers, with Caledonia preferred over her stablemate for her greater size, superior udder attachment and general ring presence. A good entry of GG across all age groups but I was concerned to note weak back ends and poor udder attachment in quite a number of exhibits. Some very promising goatlings too. A most pleasant day and really good to see so many familiar faces from my New Forest show days.

JUDGES COMMENTS

A most efficiently well run show with excellent stewarding and very enthusiastic exhibitors. Churchview Devnet is a lovely BS, milking well with good topline and udder. It was so good to find an impressive BA milker in Taitstown Nicole - a first kidder that would do well anywhere in the UK. Best goatling, Balmartin Amelia full of dairy quality and Aughavey Annagh an extremely promising kid.

The "Forman" Challenge Trophy awarded to Chatterbox Willow.

JUDGES COMMENTS:

Norbarton Daucus is a quality 1st kidder, who just flows under your hand. Excellent udder attachment with small teats and good yield. Treleth Donau, full of breed type still has a well attached udder and milking well, just gave way to the bloom of youth. Striking BS goatling of excellent size and quality whilst reserve goatling is how you imagine a GG youngster to be - full of quality. Close decision for the best kid Jackindabox Azalea, well grown full of AN type whilst reserve kid, Boxo Marigold, superbly grown, super length and quality.

A friendly well run show with good facilities; a shame entries were so few. Both best and reserve in show milking well running through; two quality animals with Cheswell Ocktakimba pipping Yorgan Jessica due to a better udder. Some very nice stock present.

JUDGES COMMENTS:

Best In Show Nitram Carmel is one of the best AN milkers I have ever judged. She has a perfect dairy udder - good forward, well attached and completely level, with excellent shaped and positioned teats. Milking well and shown in wonderful condition. Good stewarding and a well organised and pleasant show to judge.

BEST GOATLING Ardross Zilvana

BEST FEMALE KID Willobrook Xalice

JUDGES COMMENTS:

Norbarton Daucus a very neat first kidder of pure Saanen type, lovely topline and good udder shape and attachment. Nitram Carmel superb udder shape attachment and teats, great body depth. Needs more length and leg for an AN. BS milkers poor udder attachments and too many weak pasterns. Lovely class of BS kids especially the Willowbrook's. Ardross Zilvana a smart rangy BS goatling.

JUDGES COMMENTS:

Rouval Wyannalise is a large imposing 1st kidder with good topline, udder shape and still milking very well running through at this late show. Mineshop Monika beautifully presented also milking very well and also running through. She is a lovely animal perhaps in need of more size for a BS to approach the ideal and pasterns could be stronger.

JUDGES COMMENTS:

A very well run show. The white classes were all very strong and was reflected in my Best in Show line-up. I particularly liked the three British Saanens who occupied the top three IP places. All lovely goats, each having slightly different attributes, but it was Maziwamto's style and elegance which won out on the day. A special mention for the Saanen first kidder, Lyncol Rahi, who after a particularly cold night, produced an excellent morning yield of 4.15kgs.
