### **JUDGES COMMENTS:**

Twenty nine milkers forward, keen exhibitors (both older and younger), proactive stewards; a good show. Rouval Wyannalise an easy winner; excelling in structure, movement and strength, but not lacking quality and with sufficient milk. Other higher yielders let down by udder conformation or weak legs and feet. Gorsefield Magnolia good Toggenburg type and very pretty. Mineshop Muscatella an outstanding quality goatling.

**BEST GOATLING** Mineshop Muscatelle

**BEST FEMALE KID** Dalbury Flute

## **JUDGES COMMENTS:**

An early show, which meant less numbers present for the kids, however the standard of goats was good with some good yields. I particularly liked the overall style and udder of the top two milkers.

### **JUDGES COMMENTS:**

As always, a very warm welcome from the NI Goat Club was received. The numbers were down due in part to the early date and bad weather leading up to the show. The two top milkers were both productive and had good fore attachment to their udders.

Well organised show with good facilities. The two Montrue twin milkers deservedly went best - they are running through well and looking even nicer than when I judged them at the Autumn Exhibition last October. I still slightly prefer Maziwamto - marginally more milk and oozes elegance. The two BS goatlings Dalbury Ellie and Mineshop Muscatelle took the goatling honours - I shall watch with interest to see if they fulfil their potential.

The Montrue herd, taking most of the top awards, Best and Reserve Best in show with lovely Montrue Maziwanto and Mtomaziwa looking and milking well after a long cold winter. Best Goatling Montrue Meru, daughter of Maziwanto already showing future potential. Emmadell AN kid's Best & Reserve. Most goats not in full bloom, being an early show the cold and wet not helping.

Landsmead Peppermill was a worthy Best In Show. Although reluctant to part with her old coat (and I sympathise with her here), she has excellent conformation, a beautifully attached udder and a good show of milk. Reserve was Leatland Sonya a very promising first kidder. I particularly liked the Best Goatling Leatland Ribbon and the Best Kid Questant Klara

Best & Reserve Best In Show going to the more mature milkers Guilden Gail and Guilden Butterkup, wearing well as does Homeacres Hosanna 4th in the IP. Braynusen Isabelle a lovely AN goatling showing potential for the future. Encouraged to see lots of young exhibitors. Stewarding and handling at this show preformed with commitment and expertise, well done.

Best In Show was the beautiful BT type AOV Aphrodite Shamara, as close to my ideal milking goat as I am likely to get! Reserve was Montrue Mtomaziwa an outstanding BS with great length and quality. The Best Goatling, Lyncol Babu, is an excellent rangy animal and the Best Kid Aphrodite Afrodite is a pleasure to behold. An excellent show in beautiful surroundings - a joy to judge.

An excellent entry with the competition in most classes very even. Landsmead Peppermill was an extremely worthy Best In Show. Reserve Leatland Silky milking well for a 1st kiddler RT shown in tip top condition. Good standard of goatlings. I particularly liked Gorsefield Cylva and Boxo Marigold. Boxo Darby and Questant Klara look very promising kids.

**BEST FEMALE KID** Treval Dulcie, Res: Aphrodite Shamiyah

### **JUDGES COMMENTS:**

A hard winter was still evident in the coats and /or yields of some milkers and in the development of some youngstock. Nevertheless there were some quality exhibits, notably from the Aphrodite and Treval herds. Aphrodite Salomi is an elegant and scopy BT with a very well attached udder. I also liked her stable mate Shamara, again a lovely udder and in better coat but not working so hard. Treval Ariadne is a very promising first kidder and Treval Dulcie a delightful AN kid of very good type.

A first rate entry headed by two exceptional BT first kidders, Theban Camellia and Teilos Arian both of which milked also extremely well on the day. Camellia in fact gave the highest yield of the show. Ashdene Mead is a first kidder of lovely quality but somewhat immature when compared to the BT's ahead of her. A strong class of BA's was headed by the very elegant Brynglas Maude. I was very pleased to be able to award a British Guernsey BCC to a kidded kid milking very well from a super udder. Toddbrook Diamond a smallish AOV but again of lovely quality with an excellent yield.

### **JUDGES COMMENTS:**

Best In Show Ashdene Marypoppons in her prime, holding such a presence my eyes could not dismiss her, even for the equally beautiful Trojan milker Theban Camellia, but that all others followed. Teilos Arian a graceful elegant BT 1st kidder and two lovely AN milkers Hurstpier Moscada and Mineshop Gazania very difficult to split. A feast for the eyes.

## JUDGES COMMENTS:

A well supported show. Rouval Wyannalise remains formidable and still highly productive on her second run through. Anjo Cordelia an enterprising smart BT first kiddler of championship quality. Mineshop goats as usual shown to perfection and milking well. First time in over 30years judging, I at last, awarded a BG certificate to Prastens Capriccio

**JUDGES COMMENTS:**

A well run show at an excellent venue deserving more support. Lyncol Rahi, a Saanen, just felt right under my hand with an am yield of 3.65kgs. R/T. Her udder is put on tightly with correctly placed, well shaped teats. Reserve was the BS Montrue Maziwamto who is an excellent size and another who just flows. Again R/T with an am yield of 3.45kgs. Not much youngstock but the Best Goatling, the BS Mineshop Muscatelle, is well grown, full of quality and breed type.

Whilst the Best Kid, the AN Emmadell Mindy, has a super head and bodyshape but just needs to grow her rump.

**JUDGES COMMENTS:**

Seriously must question the image we project to the general public by having male goats in a marquee at a County show on a hot summer's day. That said, Seair Patrick, a neat pure Toggenburg male of good type and sound in all departments. Abbotswell President a lovely AN buckling super type, good bone and carriage.

Best Adult Male was Seair Patrick a mature Toggenburg with lovely length and bone. Best Buckling was the AN Abbotswell President who has great type and will be extremely impressive when mature. The BT kid Aphrodite Samar really caught my eye and I would happily have taken him home.

### JUDGES COMMENTS:

A very well run show with an excellent entry of top quality goats. Apparently it's 181.6miles between Northumberland and Cheshire Show, which I thought would be far enough to ensure that I didn't find myself judging the same goats in quick succession - WRONG. Best In Show again was the beautiful BT Type AOV Aphrodite Shamara, followed closely by the lovely Montrue Maziwamto, who is full sister of Montrue Mtomaziwa who was the reserve BIS at Northumberland. The Best Goatling was Bridgend Anya a big classy BS, who brought back many memories of Miss Mostyn-Owen, as her breeder George Ivanson used to home many of her older goats. Best Kid again was Aphrodite Afrodite pushed hard by the eye catching Dalbury Flute.

## JUDGES COMMENTS:

Best In Show was Rouval Wyannalise, running through for the second time and giving 3.35kgs at morning milking, a lovely goat who wears well. Reserve was the BS first kidder Jemaly Sapphire, who is very promising with a very well attached udder and good milk yield. Thanks are due to the people who fought so hard to get this show held at all, and to the stewards on the day who worked tirelessly to promote the dairy goat to the large crowd which attended this excellent Agricultural show.

## **JUDGES COMMENTS:**

Some well supported female classes with top quality animals to judge. Montrue Maziwamto is at her peak and is a wonderful advert for the breed. Wadehouse Lillie is a lovely rangy animal with an excellent udder and high milk yield, just lacking condition on show day. Lyncol Babu and Wadehouse Patsy both promise well for the future. The male BCC winner, Toddbrook Tumbler, has excellent conformation and just needs time to mature.

## JUDGES COMMENTS:

Again, it is a great shame that this show was not better supported. The few animals present were typical of their breed and in good condition. The female BCC winner Lyncol Rahi, milked exceptionally well and is the best Saanen milker I have seen this year. The reserve, Prastens Fiala, has good conformation and a well attached udder but needs more milk. The male BCC winner, Prastens Fabian, also has good conformation and just needs time to mature.

**JUDGES COMMENTS:**

A great shame that this show was not better supported. The Newark Showground is well positioned, being close to the A1 and has excellent facilities. For Toggenburg breeders in the eastern side of the Country it would be difficult to better. the few animals present were typical of their breed and in good condition. The female BCC winner, Brooks Claire, milked well and was worthy of her award. The male BCC winner, Seair Patrick, is an excellent example of a Toggenburg male.

### **JUDGES COMMENTS:**

Three very nice BT's at the top of the IP. BIS Theban Camellia is an outstanding 1st kidder giving 7.7kgs. It takes great skill to have a goat giving so high a yield and still be turned out in lovely condition. Best Goatling and Best Kid very impressive.

Pleasing to see a few GG's as it incorporated their southern regional show. Even more pleasing was the best exhibit of the day a GG buckling, Rhosyn Thunderbolt, good and strong of excellent breed type, stood out as he entered the ring. Reserve BIS equally deserved, BS Philday Desmond. Females were of good standard. Best female Treleth Dala

### **JUDGES COMMENTS:**

Some very nice goats at the show with the BS class being the strongest. the Montrue herd a very nice team of milkers, impressed with the size, length and scope of the goats. An impressive morning yield of 4.90kgs from Sunrian Cilloette. Liked Dalbury Ellie who shows great promise. Most goats needed a bit more time for their coats and bloom to come through.

### **JUDGES COMMENTS:**

Some good goats forward. Difficult choice between Earls Cleopatra and Nitram Ayliesha. Cleopatra, a big tall goat milking heavily had the advantage with her big yield over Ayliesha who still carries her udder really well. Goatlings led by Earls Edwina, a big well developed black. There was a strong team of young stock from Emmadell and Sandell herds. Best Male, Imported Almas has quality and good body and width throughout.

Most goats needed more time to come through their coats and put on some more condition to bring them on, which I'm sure they will over the summer months. The breed seems to be losing size and scope. Well done to all who supported the show. I liked the goatling Ramside Tayari very much. Fingers crossed to watch out for next year.

Some nice BT's at the show across the classes, but a shame the numbers in the classes were low, it would be a shame to lose this show for the breed. My Best In Show went to Anjo Cordelia, a well balanced first kidder, with a nice attached udder and placed teats, who beat her stable mate Anjo Chelsy (reserve) who at the age of 8 years old is still looking well. Males, both Theban Cassius and Guilden Glen strong, sound males, Theban Cassius winning due to maturity, Guilden Glen just needing a bit more time.

### JUDGES COMMENT

A small entry of males headed by the magnificent Theban Cassius. At six years old he has maturity, stature and superb breed type. In my opinion he is an outstanding example of the British Toggenburg breed. Imported Almas was shown in excellent condition, is well grown and has a very good breed type.

The She Goat Challenge Cup awarded to Montrue Maziwamto

#### **JUDGES COMMENTS:**

BIS Montrue Maziwamto - a quality British Saanen with a superb running through yield shown in outstanding condition. Reserve Lyncol Rahi - a Saanen of excellent breed type also working hard running through. Treval herd presented in excellent condition throughout all classes entered. Pleasing to note that Anjo Cordelia is sired by the CC winning male. Vicky Hardy and her team deserve a vote of thanks for the time and effort put into shows over the weekend. A great shame this event is not better supported as facilities are excellent.

**JUDGES COMMENTS:**

Theban Camellia an outstanding animal with balance and a super yield. Treleth Donau and Treleth Dahlie both of these milkers do the breed proud, very nice and a credit to all the Toggenburg breeders for a good turn out. Norbarton Jubileerose very nice goatling, great conformation and in excellent condition. A large entry of animals but a lot of absentees. Well run show and very hot weather.

### JUDGES COMMENTS:

One of the best Agricultural shows I have ever been too. Great accommodation and stewarding perfect. Some truly quality animals on show. BS milker class very strong. Aphrodite Salomi and Lyncol Rahi, both looking excellent running through, milking very well and with udders showing no sign of wear and tear. Best Goatling/Kid and their reserves also impressed. Aphrodite, Lyncol, Montrue and Treval Herds all immaculately presented. Well done all, so nice to see a number of good quality goats in one place!

**JUDGES COMMENTS:**

A pity there were not more goats present, however, the standard was good. BIS Rouval Wyannalise is a lovely rangy AOV goat milking extremely well second time round. Jemaly Sapphire is a very showy BS 1st kidder. The Jemaly and Hetherton youngstock took top honours in the goatling and kid classes and look very promising for the future.

Ashdene Camellia a worthy Best In Show, quality milker excelling in condition and milk, closely followed by Teilos Arian both first kidders. Some well filled classes of promising youngstock headed by Hurstpier Clover, Naypauls Yahoo (goatlings), Ashdene Morgana, Hurstpier Sesamo (kids). A friendly show with good facilities. A pleasure to judge.

Low in numbers, high in quality. Outstanding AN buckling, really smart, tall and strong with super head and well presented, Ballingall Karamac BIS, interestingly brother to Best Goatling Ballingall Krystal. Reserve male super BT Treval Eli, excellent body very deep but slightly short in back. Males much better presented than some females.

Shame no BA milkers forward as awarded BGS cup. Great 15 year old Rebecca Campbell got BIS, deservedly with a very nice BT, milking well, Guilden Butterkup. Look forward to seeing Rebecca at the top again with Butterkup's descendants. Butterkup followed by two very stylish AN 1st kidders of excellent type.

The continuing heat had adversely affected many exhibits, with some depressed milk yields and general lack of condition. BIS an attractive BA, closely followed by an AOV first kidder just needing more milk on the day.

Some promising youngstock, with Best and Reserve Best Kid being very smart AOV sisters. Many thanks to the secretary and all the stewards involved.

### **JUDGES COMMENTS:**

A day for white goats with the impressive Montrue Herd taking the top honours - milking well and as usual presented to perfection. A memorable class of AN goatlings all super type and condition. A royal guest visit to the judging ring by H R.H. The Countess of Wessex and her many questions and great interest thereby shown in the goats, added to this Bicentenary Show occasion.

Well run show with good entry despite some absentees through illness. Top 4 goats in IP lineup all good animals but Leatland Sonya just edged it on quality and slightly better rear udder attachment. Some very promising goatlings in all breeds.

Well worth the long trip to see the BT milker class whilst only three, all three were of good quality. The am yields of Cheswell Kiara was 4.60kg whilst reserve Cheswell Kiara gave 5.2kgs but she is lacking the body of her sister. Some nice youngstock in all classes.

Landsmead Peppermill stood out from the onset, liked her round udder and teat placement. Shown in excellent condition with a morning yield of 3.00kgs. Some very nice milkers throughout the classes. The Treleth herd of youngstock looked very well. Lovely show to Judge, well done.

**JUDGES COMMENTS:**

A very pleasant show indeed with some lovely animals forward - and a few more who stayed in their pens. BIS Montrue Mtomaziwa an attractive 1st kiddler closely followed by a very smart AOV Aphrodite Shamara, just a touch short of milk for the top spot. Aphrodite Salomi looking and milking well. Some promising youngstock in all classes. Many thanks to the secretary and all the stewards involved.

Lovely show, high standard of goats. I liked Best and Reserve in show very much, Montrue Mtomaziwa just pipped Aphrodite Shamara on morning milk yield. Both goats a credit to owners. Well done.

### **JUDGES COMMENTS:**

A most pleasant show with excellent facilities. BIS was a smart AOV milker with enough milk, shown in excellent condition. Reserve an 8 year old BT milking and wearing well, who was unfortunately feeling the heat by the IP. Gorsefield Magyk, an attractive Togg 1st kidder, keeping the breed's flag flying high in the SW. Some useful youngstock - both goatlings and kids -which augers well for the future.

Many thanks to the new secretary and all the stewards involved.

**JUDGES COMMENTS:**

Very disappointing entry to the only BGS recognised show south of the border. Of particular concern is the lack of young stock which does not bode well for the future. nonetheless the friendliness and enthusiasm of the exhibitors was encouraging so let's hope that better times are just around the corner.

Shame such a poor entry - lovely setting for a male show. Great relaxed atmosphere - one for you to support next year. Anglo Nubian buckling Imported Almas BIS, good type. - think he will mature into a superb looking specimen. Females, generally very high standard, goatling nearly getting top honour. Top kids also excelled. Extremely impressed with the way Mrs. Matthews treated new comers.

Not many entries for such a prestigious show!!

Top class facilities, separate breed inspection and milking classes, excellent prize money, no downside as I could see. You would have to take 5 days holiday but its worth the excellent hospitality and stewarding. Milk results back before you leave; social evenings with entertainment; it has it all.

Best In Show Alailah Vanity promising BA 1st Kidder lovely black/white showing good potential. Res Alailah Daintymaid 1st kidder BA type, lovely but still has lots of growing to do.

**JUDGES COMMENTS:**

An extremely well run show with enthusiastic exhibitors. Nitram Ayliesha a 7 year old Anglo Nubian looking well and retains her shapely udder and teats. Toddbrook Diamond an AOV first kidder was reserve, milking well

and in good condition. Dalbury Ellie, a BS goatling was outstanding and could trouble the best next year. Special mention to Dalbury Flute and Dalbury Flame, twin sisters shown in immaculate condition and easily won best and reserve best kids.

#### **JUDGES COMMENTS:**

With a bit more milk the stunning Aphrodite Shamara might have stolen the show, but on the day her stablemate, Aphrodite Salomi, an impressive BT 1st kidder running through, pipped her to the post. Also worthy of note is best goatling Treval Ellen, while Aphrodite Afrodite was an outstanding best kid. Low numbers were more than made up for by the high quality of animals from the Aphrodite, Treval and Burnhead stables, while Peter Wray and his team must be complimented on their impeccable organisational skills. A thoroughly enjoyable show to judge.

### **JUDGES COMMENTS:**

Churchview and Aughavey teams to the fore at this friendly and well organised show - all in top condition and immaculately presented. Churchview Ashley is an elegant and flowing BS first kidder who is milking well. Aughavey Alamien, a very promising BT first kidder, with a very shapely, productive and well attached udder. Best and Reserve kids very well grown and presented. disappointing to note a number of goats forward who lacked the necessary condition and presentation.

### **JUDGES COMMENTS:**

I was delighted to be asked to judge Bakewell show this year, it gave me the chance to catch up with long lost friends. Set in the picturesque town in Derbyshire it came up to all expectations. A fair amount of goats present and a friendly atmosphere prevailed all day. Best in Show Nitram Ayliesha looking radiant in her twilight years. Sunrian Cilloette Reserve Best an upstanding BS with plenty of milk. Philday Fabrica a promising pure Saanen Best Goatling. Whinleys Clara and Martha two typey AN kids stood out from the rest.

**JUDGES COMMENTS:**

Strong well built BS buckling BIS - excellent condition. reserve superb BT lasting well. A lot of good youngstock - special mention - Callum Williams, young lad does all his own management at home. Showed very well and seemed to know what he was breeding for. Could do with more youngsters like him. Thanks to Toby Mitchell 1st time steward.

### **JUDGES COMMENTS:**

A lovely friendly show with some excellent goats. The "Cheswell Two" impressed me greatly - two really super BT's with extremely well attached udders both back and fore, with no slackness, in lovely condition. Cheswell Kiora milking exceptionally. Brynglas Maude a very nice stylish type of BA with neat udder and teats. Best Goating - Klimova Marija - a beautiful Anglo Nubian that oozed quality. A pleasure to judge.

Nice show to judge. I liked the first three in the IP; Best In Show went to Guilden Butterkup, a 5 year old sound BT with well attached udder and milking well, am yield of 3.35kgs, owned by a young goat keeper, Becky Campbell. Some nice young stock from the Guilden herd. well done to all Scottish goat clubs for encouraging young goat keepers as there seems to be a few keen youngsters.

## JUDGES COMMENTS:

A lovely country show held in beautiful surroundings. A reasonable entry was spoiled by absentees, however, those that were present were of a high calibre. Montrue Perceive is a lovely British Saanen first kidder full of quality and milking well. Reserve best in show was an attractive AOV Treval Ariadne. The Montrue and Lyncol herds produced the best goatling and the best kid, all turned out immaculately.

**JUDGES COMMENTS:**

Three good first kidders by Mineshop Mordechai: Leatland Silky is of excellent breed type and a capacious frame milking very well running through. Kiddled this year, BS Cossin Chai had more milk and body development than AOV Leatland Sonya - but Sonya is certainly one to watch. Some promising T & BS youngstock.

**JUDGES COMMENTS:**

Two outstanding BT first kidders headed the line: Theban Camellia was followed by Teilos Arian, with Camellia having the edge on dairy quality and yield. The AN Hurstpier Moscada followed them and is an upstanding goat, good AN type and also milked well.

Naypauls Yahoo - a brown and white AOV goatling was an outstanding goatling in every respect. Ashdene Morgana (white AOV) and Hurstpier Cili (AN) caught my eye in the kid classes -very promising.

### JUDGES COMMENTS:

Best In Show was the remarkable Nitram Ayliesha, who must be close to re-writing the record book for awards won by an AN milker. Longevity is a rare quality that we all seek to achieve in our goats and, at 7 years old, Ayliesha seem to have found the elixir! Mineshop Mulya has a very well attached udder and plenty of milk but obviously a difficult animal to keep clean. Mineshop Muscatelle and Sandell Daisydoo are outstanding goatlings and the Emmadell twin kids full of promise. A lovely old-fashioned Agricultural show at which it was great fun to judge and to look around. Only sorry I missed the performance of "Titan" the robot whilst judging.

## **JUDGES COMMENTS:**

A good show, with quality exhibits. Teilos Arian just pipped Theban Camellia for top honours on style. Both quality BT's with well attached udders and milking very well. Mineshop Mulya, a lovely BS, superb condition and lovely udder, needed more milk to rival the top two. Best Kid Ashdene Morgana - perfect!!

Perhaps not huge numbers but superb animals at the top end. Montrue, Treval and Lyncol herds were dominant with Saanen, British Saanen and white British Goats just oozing quality. A wonderful show to judge with thanks to John and Liz Orr who ran a smooth operation.

### **JUDGES COMMENTS:**

Ashdene and Hurstpier teams to the fore at this show held in beautiful surroundings. Theban Camellia was preferred over her stable mate, Teilos Arian, on her stature, capacity and flow. Her morning yield of 3.6kgs was carried well in her shapely and well attached udder. Hurstpier Clove shows much promise for next year.

Fortunately the rain held off, which it did not do last time I judged at this show.

### **JUDGES COMMENTS:**

A lovely friendly show, with quality goats. The IP was strong from start to finish. Leatland Sonya and Alailah Daintymaid, two very smart 1st kidders with neat well attached udders and teats. Questant Chreiangel aged 8, looking absolutely lovely, needed more milk to rival the top of the IP. Best goatling Treleth Dala impressed.

The Forman Challenge Cup awarded to Monach Drimys

**JUDGES COMMENTS:**

A show which merits greater support. Keenest competition came from youngstock classes where stock was well grown and well presented. Some pleasing yields at the top of the IP with Monach Drimys being superior in udder and teats to Oakvale Phoebe. The BA and An classes were well supported.

**JUDGES COMMENTS:**

Windsinger Calypso looking lovely. Great dairy conformation, well shaped and well placed udder and teats, fine glossy coat. She ticked all the boxes for me. Next in the line up were 2 nice well presented milkers from the Leatland herd, Silky milking heavily as a 1st kidder running through. A strong entry, and nice to see a good class of BA milkers as well as some promising BA type AOV's

**JUDGES COMMENTS**

Entries at the show were low, but some nice goats turned out well. The first three in the IP worthy of a CC, liked the udder conformation, shape and teat placement on Cheswell Kiara, milking very well for a first kidder.

Nitram Ayliesha a good example of an AN milker with good size and bone. Well done to all who supported the show, it's a lovely show which could do with more support.

### **JUDGES COMMENTS:**

The last show in Ireland of 2013 saw a decent female entry but a very disappointing male show with only one adult male and no bucklings. Exhibitors were in good spirits, the weather was kind, and female quality at the top of the classes was generally good. Of note are Churchview Ashley and Aughavey Alamien who lead the IP, while Aughavey Ardwin was a very sound BT and a worthy CC winner despite being the only male.

BIs Leatland Sonya an outstanding, elegant, dairy-type 1st kidder, followed by 2 lovely BT 1st kidders milking exceptionally well but just needing to mature. Leatland herd stood out for dairy quality and show condition. A nice show worth my 13 hour train journey home on Sunday.

Montrue Maziwamto and Lyncol Rahi stand as exemplars of their respective breed types - a pleasure to judge.

Good to see the Earls milkers still doing well, both again of excellent breed type with Cleopatra just ahead on body development. Some promising youngstock and it is hoped that many of the seven Saanen goatlings present will make it through to next year's milker classes

### **JUDGES COMMENTS:**

Top quality animals on display at this impressive show. The facilities for the goats were excellent and the stewarding was first class.

I can honestly say that there was not a bad goat at the show, even those at the end of the line were of a good standard. The two Cheswell BT first kidders are outstanding and milking exceptionally well. Kiara gave over 8kgs and holds her milk in a wonderful well attached and shapely udder. She is working so hard and it is showing on her condition but I will look forward to seeing her next year running through. Cheswell Kiara is larger than her sister and gave 6kgs in another well attached and shapely udder. Naypauls Xavanna and Leatland Sonya worthy animals too.

Leatland Ribbon is a promising BS and won best goatling and Leatland Leila is an outstanding AOV, easily winning best kid.

**JUDGES COMMENTS:**

Some excellent yields for a late show for which I gave credit in my placings. Strongest competition came from the BS and BT classes. Montrue Maziwamto an easy winner - high yielding - good udder and plenty of size and depth. Theban Camellia super length and topline a high yielding first kidder also but the BS was running through. Good youngstock promising well for 2014.

### **JUDGES COMMENTS:**

A very well run show with excellent facilities. I would like to have seen more milk but the Best and reserve had sufficient. I look forward to seeing Tenacres Florence next year when I hope she has more milk. Young stock promising.

### JUDGES COMMENTS

Well worth the long trip to see the BT milker class whilst only three, all three were of good quality. The am yields of Cheswell Kiara was 4.60kg whilst reserve Cheswell Kiara gave 5.2kgs but she is lacking the body of her sister. Some nice youngstock in all classes.
