BEST GOATLING Philday Venetia, **Res** Kinmea Sian**BEST FEMALE KID** Micean Anthea, **Res** Hunningley Zoshia**JUDGES COMMENTS:**

A very nice show to judge. Best in Show was an AOV first kidder milking well. Maxson Shellac has a good, well attached udder and should mature into a fine goat. Reserve went to a smart BT milker, Philday Statusseren, milking well and just needing more time to body up. Philday Fabrica, a very smart pure Saanen first kidder running through would have troubled the top two goats if she had produced more milk. She is a wonderful example of her breed. Best goatling was a very smart AOV goatling, Philday Venetia. She is a BS/BT cross full of quality. Reserve best goatling Kinmea Sian, a smart upstanding AN. Best kid was a well grown BS, Micean Anthea and reserve a smart BA Hunningley Zoshi followed by a promising BT kid, Philday Sonya.

JUDGES COMMENTS

A welcome new show to the calendar and congratulations to the organisers for an enjoyable event. The Mineshop goats were looking well, and it was good to see Mulberrie, albeit for first inspection only. The Ffawydden herd was beautifully turned out with some attractive animals, and well done to the Toggenburg breeders for such an impressive turnout at their regional show. Many thanks to the secretary and all the stewards involved for a very enjoyable show, and to John Rudkin, my probationer for all his help.

JUDGES COMMENTS:

Super class of BT milkers all worthy of certification. Anjo Cordelia has a very well fixed udder and lovely topline. Heatherton team too, all very smart BT's with promising youngstock. Lyncol Babu a super AOV just needs to milk! Jemaly Beryl and Hurstpier Romeo two very smart promising goatlings. Sadly yet again no BA milkers or goatlings present. A very well run show.

A lovely show that is in need of more support. Entries marred by absentees, but good quality animals present. There isn't many shows you attend where there are 3 full champion BS's in the ring! Well done to all exhibitors, all goats beautifully turned out.

JUDGES COMMENTS:

A well run show. It was nice to have 15 adult males to judge. The AN having overall show presence on the day to take top honours. The surprise luncheon and presentation of a milking stand to mark Diane Parker's 80th birthday and for such dedication to the goat club was a nice touch which all exhibitors joined in to celebrate. Well done to all for organising this.

JUDGES COMMENTS:

BIS was Cheswell Kiara a BT with a beautiful udder and good show of milk. Reserve was Duffran Oneandonly a rangy BS first kidder, running through with an excellent milk yield and a well attached udder. Best goatling was a very elegant Dalbury Grace, closely followed by Guilden Briar. Best kid was Ffawyddden Demelza, reserve going to her stablemate Ffaydden Dazzl. They were hard to separate and both outstanding kids. A very enjoyable show to judge, high in the Brecon Beacons.

BIS was Hurstpier Clove a mature AN with a lovely head, well attached udder and an excellent milk yield. Reserve was Ashdene Meadowsweet an AOV first kidder, with a good milk yield and a shapely well attached udder. Best goatling was Ashdene Elfrida a very rangy and substantial animal, closely followed by the very elegant Mineshop Madelaine. Ashdene Estella and Ashdene Millefleur both look very promising and took the best and reserve best kid awards. An enjoyable show to judge on the banks of the river Thames, not far from Runnymede, where the Magna Carta was signed some 800 years previously.

Kindur Martese was an excellent example of a British Saanen who well deserved her BIS. Reserve was Klimova Marija an AN with a nice udder and very elegant on the move. A nice friendly show in beautiful surroundings.

JUDGES COMMENTS:

Though few in number, the quality of goats present was good with few "tail enders". Hard to split Teilos Arian and Hurstpier Clove for top honour, both being lovely examples of their respective breeds. Hurstpier Romero stood out in the goatlings and Ashdene Millifluer was a beautiful kid, full of quality.

JUDGES COMMENTS:

A very well run show with good support. A smart AOV for BIS and a good type pure Saanen reserve needing to kid again. Very well filled AN classes and good type quality goats in them. The BS goatling Mineshop Madelaine is divine in quality. I hope she progresses next year. Treflor Ruth a lovely well grown pure Saanen kid. I had an efficient and knowledgeable probationer judge.

JUDGES COMMENTS:

A wonderful agricultural show in a beautiful area. Treval Ariadne stood out as Best in Show, immaculately presented with a good milk yield and deserves all of her awards, Followed closely by her stable mate Treval Yew. Promising young stock. A lovely friendly show, requires greater support, a pleasure to judge.
