JUDGES COMMENTS:

Very pleasant show. Treval and Aphrodite herds shown in immaculate condition for such an early show. Treval Yew looking well and milking well for a first kidder and took top honours today, just beating off competition from Aphrodite Shamara on milk.

JUDGES COMMENTS:

The addition of a male show and the relocation to the cattle mart has given a new dimension to Ayr Show. It needs a few more hands on deck on the day to make this a really successful show. Only a few males were present, exhibitors having to prioritise trailer space. Best In Show Ballingall Karamac, a large rangy AN with good head and ear set. Reserve a promising BT buckling sound in all aspects. Good luck for next year. It really is a full weekend.

Best In Show Treval Yew, a lovely BS 1st Kidder, immaculately turned out and "stood" out. Reserve Best stable mate Treval Ariadne 1st kidder running through, again in lovely condition. Aphrodite Shamara 3rd in IP another outstanding milker who probably suffered a place due to the surface of the showing ring. Most goats displaying "The Hot Coal" effect. Best Goatling Aphrodite Afrodite a well developed BS. Best Kid Aphrodite Sassandra a promising BT.

Having judged in Ireland numerous times over 4 decades, at this show I had the highest standard of milking goats in all classes I have ever had the privilege to judge in Northern Ireland. High productivity in all classes. Aughavey Alamein a superb BT of substance with fabulous well attached udder and a staggering 5.2kg AM yield. I congratulate all exhibitors and especially BT and BS stock shown

Best In Show Guilden Butterkup milking and looking well for her age. Some promising youngstock. The best goatling Linnavon Bromeliad being out of the Best In Show. Two lovely white AOV kids from the Guilden Herd. Good to see so many keen young exhibitors.

JUDGES COMMENTS:

A well run show with a fair entry. Best In Show Anjo Cordelia edged it over the reserve Timyon Jenisatin on overall conformation and condition running through. Special mention goes to the fabulous udder on the third in the IP Mineshop Mulberrie. Pleasurable show to judge thankfully the weather did us a favour during judging.

JUDGES COMMENTS:

Anjo Cordelia was an easy winner. She is a top class British Toggenburg running through, good breed type and excellent conformation. Amongst the youngstock I felt that the BS goatling Mineshop Mura was very promising and so too was the pure Saanen kid Prastens Fenella.

JUDGES COMMENTS:

Males: Except for the GG classes the show was poorly supported. The venue was excellent and the quality and presentation of all stock was superb to immaculate. All 5 adult GG males were worthy of BCC status. Treval Eli a very good type BT male and Treval Jake very good well developed AN male kid. This show merits greater support if exhibitors only existed.

Females: Treval herd again to the forefront with lovely stock of superb quality and presentation. Impressive GG/BG youngstock the best the north has ever seen in terms of numbers and sound conformation. Alewater Estelle a super GG kid. Thanks to those who supported this show.

JUDGES COMMENTS:

Well run goat section. Good quality entry - I awarded BCC's and reserves right down to the end of the IP line-up and in the BS goatling class I could have awarded 3 firsts! Overall I particularly liked Mineshop Mulberrie - she is still very immature and needs to grow on but is full of quality, milking well and has a lovely "Ayrshire" udder.

Very nice animals of all breeds and all ages in each of the classes. Leatland Sonya a smart AOV well balanced in all judged points. A superb show to judge. Exhibitors need to be clear as to rules and regulations which relate to back to back milking competitions.

JUDGES COMMENTS:

Show Booklet 2 July 2014

BIS Leatland Sonya is one of the best dairy goats I have ever judged - lovely conformation, beautiful soft and well attached udder, perfect teats, milking well running through and in most wonderful condition. Res BIS also from the Leatland herd is a striking BT first kidder with lots of milk. Lots of nice animals in all classes.
