Cheswell Kiara a clear winner, milking well - morning yield of 3.05kg running through. Some nice youngstock at the show. A shame the show isn't supported more but it is in the outbacks of West Wales! Well done all who attended.

**JUDGES COMMENTS:**

Very much liked the top 3 in IP, the hot weather had taken its toll on the milk yields, with some being low for the time of year. Some strong classes across the board, the youngstock classes were strong too! Lovely show and some good goat-keepers. A pleasure to see and judge.

**JUDGES COMMENTS:**

Across all age groups, best and reserve was very close with kids looking very promising for the future. Best and Reserve in Show, Leatland Sonya (HB) and Nightshaze Minx (BS). Both good dairy types and running through well. 2.60kgs and 2.80kgs respectively, am yields.

Pleasing to see a couple of very keen young children wanting to do things right, asking advice.

**JUDGES COMMENTS:**

A wonderful show to judge and in perfect weather. Some first class stock on show providing strong competition.

Mineshop Dayleah looking splendid running through. Her well attached and shapely well filled udder giving her the edge over the larger Lyncol Bettrina. Ramside Tayari is an upstanding BA just needing time to change her coat and the Anjo BT's were a pleasure to judge.

I was very pleased to see Vicarshill Heatherbell, a Golden Guernsey that I had heard a great deal about. She is a wonderful goat and one of the very best GG's that I have seen.

**JUDGES COMMENTS:**

The Irish Goat Producers Association has struggled yet again to attract exhibitors to what is the only recognised show in the Republic of Ireland. This is hugely disappointing for the organisers, and this year the entry was further reduced by external factors such as bereavement and ill health. The result was that no certificates were awarded on inspection, with males perhaps more disappointing than females. On a positive note the show was well run and exhibitors were enthusiastic and friendly, but it remains to be seen if next year can see a much needed improvement in numbers and quality.

**JUDGES COMMENTS:**

Disappointing amount of males present. Both the AN males were very difficult to handle and had to be forcibly restrained before I could examine them underneath - and I would consider myself as adept at handling big adult males as anybody! It all created such a kerfuffle that I felt it necessary to explain what was going on to the viewing public. It has to be asked again whether male goats at a big agricultural show are a really good public relations exercise.

**JUDGES COMMENTS:**

Best and Reserve Best Milkers both milked well and carried that bloom and condition concomitant with running through. However, on the day, Mineshop Dayleah just pipped Kindur Mariah with softness and texture of udder. A mention also for the Poundroll Toggenburgs who were well turned out and milked superbly. Good to see Cheshire County still remains a proper agricultural show.

**JUDGES COMMENTS:**

It was good to see a number of good quality BA's present at the show. Ramside Tayari is a very elegant milker with a good udder and a lovely black and white coat in superb condition. Biblin Zinnia is milking exceptionally well and still looks good for her age. Wedgewood Sparticus is a well made buckling with good bone but needs time to mature. Some very promising youngstock with Hunningley Zoshia and Montrue Tzura catching my eye.
