**BEST MALE KID** Talana Tweed, **Res** Strathcorbie Lewis

**JUDGES COMMENTS:**

Low number of entries at this agricultural show but those that were present were good quality animals.

Best male went to Rogerian Eamonn, a large upstanding British Alpine with great length and height and plenty of bone. I was very pleased to be able to award him the CC and the BA BCC. Reserve best male went to his stablemate, Rogerian Dapper, another large upstanding British Alpine who would easily have won the CC if Eamonn had not been present.

Best buckling was an Anglo Nubian, Nitram Ken and best male kid was Talana Tweed a smart pure Toggenburg.

**JUDGES COMMENTS:**

An extremely nice show to judge in a wonderful setting and with some top class exhibits on show. Best in show was Guilden Erin, an upstanding AOV first kidder with an absolutely wonderful udder and a morning yield of 3.95kgs. She possesses great dairy qualities and elegance and was a very worthy winner. Reserve best in show went to her twin sister, Guiden Enya, another quality animal that just needs time to grow a summer coat. Best goatling was a smart BT and best kid an outstanding BA. It was an interesting experience to judge Boer goats, Pygmies and Bagots.

**JUDGES COMMENTS:**

This is an excellent show with huge public support and a good entry of high quality goats. I was delighted to see Aphrodite Shamara again having last judged her in 2013. I doubt that veteran milkers are often Best in Show but she is an exceptional animal and thoroughly deserved the accolade. Leatland Sonya is a lovely dairy animal and a worthy reserve. Some very smart youngstock who I look forward to seeing again in the years to come.

BS's deservedly took top honours, for breed type, condition and yields. Dayleah running through 3.40kgs, Mulberrie 3.30 kgs. Top two BT kids worth mention, something about the younger ones development for her age put her above the quite stunning older one, stamp and potential, ranginess of BA made her best kid. Lucky the largest class in when Prince Charles stopped in for a chat.

**JUDGES COMMENTS:**

A very pleasant show to judge, with excellent stewarding. Ashdene Meadowsweet looked a picture - and knew it; she is very reminiscent of the best Mostyns. Teilos Arian milking very well, and carrying her years lightly. Some good youngstock, which should improve as the season progresses. The Phoenix Trophy was won by the ring steward on the day, Charlie Peck - really good to see him back in action. Many thanks to all who helped to make the day a success.

**JUDGES COMMENTS:**

The lovely Teilos Arian, easily took top honours with her very shapely and well attached udder and excellent milk yield. Ashdene Meadowsweet also looking good has matured on from last year, and is milking well running through. A lack of entries accompanied with absentees was quite disappointing, as this leads to poorly filled classes and lack of competition.

Anjo's in good form, smart BT's, good type, would prefer more size though, but in proportion. Cordelia deservedly at top, followed by 7 year old Rouval Wyannalise, looking good, milking well (2.80kgs yield same as Cordelia), lasting extremely well for age. Others deserving a mention Vicarshill Heatherbell, a very good GG running through, Hurstpier Romero an AN first kidder 3.45kg am yield

**JUDGES COMMENTS:**

Leatland Sonya has developed more in the body with maturity and this in combination with her dairy quality, length and flowing lines made her an easy winner. The reserve, Nightshaze Minx, is a pleasing BS with sound conformation and a well attached udder, just lacking a little scope in comparison to the BIS. Coppershel Gem a lovely type BA with size and bone. Some really good youngstock too but numbers were thin on the the ground in some classes.

**JUDGES COMMENTS:**

BIS Aphrodite Shannyn, a beautiful BT, first kidder milking extremely well. Reserve Montrue Mbuni (BS), another lovely goat. Competition in most classes being close. Youngstock excelled, hopefully looking good for the future. What an IP, over 30 animals forward. This show was a joy to judge. Most classes oozing quality. Big thank you to the brilliant team of stewards.

**JUDGES COMMENTS:**

Day 1 of Ireland's only back to back show saw Churchview Salubrious running through and in superb condition taking the honours with the milky Kindur Martini in reserve. Mention must also go to Ballynickle Amber, a quality BA first kidder with good udder and milk, and looking great at number three in the line. Youngstock promising with excellent quality at the top of all classes.

**JUDGES COMMENTS:**

It was my first trip to Northern Ireland and I was made to feel most welcome by all. Castlewellan was a lovely setting for a country show, it was a great pleasure to be asked to judge.

There were some wonderful goats namely my choice for best in show Churchview Salubrious, an outstanding quality BS of great bone and confirmation with a well attached udder, in superb condition and running through and still milking well.

My reserve best in show was a BA first kidder Ballynickle Amber showing very good breed standards, a lovely upright, rangy, dairy quality type with a lovely attached udder, milking well as a first kidder.

Third choice in the IP was Churchview Aylce, a BS first kidder with an outstanding milk yield of 9.15kgs. Followed on with some promising quality youngstock.

**JUDGES COMMENTS:**

An extremely well run show with a good entry of quality stock. I particularly liked the pure Saanen buckling, Timyon Delboy who is full of quality and of excellent type. Reserve best in show was Hanlibill Bernard, a good British Alpine shown in perfect condition.

The Golden Guernsey Goat Society held their breed show in conjunction with this show and this resulted in an excellent turn out of some good quality GG's/BG's.

The standard of Anglo Nubians on show is also worthy of mention.

**JUDGES COMMENTS:**

A first attempt at a back to back for this magnificent show which alas did not attract the support of intent. The cruel heat of the high 30s marred the pleasure of exhibiting and judging, it stressed the animals, melted the stewards and focused the mind of the judge on cold beer. Suffice to say judging was slick and fast to escape the heat, exposure to which was exacerbated as judging of milkers followed by young stock, was all scheduled to begin at 2.00pm due to ring share with the pigs, creatures which returned to their pens as pork scratchings! The heat meant poor milk yields overall. Some super quality youngstock especially from the Wrotham BTs and the Klimova ANs. I regretted not being able to put the very smart BA Kerborne Verity top of the line, she just had a shortfall in yield

to justify top honours. My grateful thanks to the stewards for keeping me hydrated. This was the hottest show I have ever judged.

**JUDGES COMMENTS:**

As always, an exceptionally well run goat section at this wonderful show. It is such a shame that more exhibitors do not enter. Those that were there were of a high standard and I was particularly pleased to be able to choose Kerborne Verity, a British Alpine, for best in show, closely followed by Alailah Daintymaid, a BA type AOV as reserve. Two quality animals. Daintymaid still needing time to change to a summer coat.

Wrotham Tadena was easily the best goatling and Klimova Polina stood out as best kid. The weather was superb for the show but made it uncomfortable for exhibits, exhibitors, the ring steward and the judge!

**JUDGES COMMENTS:**

Some top quality goats on show, with two veterans in the top three of the IP line up. My Best in Show - Aphrodite Shamara - a very neat goat, wearing very well with a good yield. Leatland Sonya a worthy reserve, turned out in superb condition. Leatland Heidi also looking very well for a six year old goat with an excellent yield of 7.50kgs. Sugarmill Violet also pleased my eye - a very promising Toggenburg first kidder. Goatling classes headed by a very stylish Wrotham Tadena and the kid classes by Chatterbox Yew - full of quality. Chatterbox and Leatland teams to the fore, all turned out in super condition and very well presented.
