**JUDGES COMMENTS:**

A superb show, well organised and stewarded with plenty of "footfall" through the tent all day. I was delighted with the quality of goats forwarded and working with the 24 hour yield of the previous day gave me a better indication of the milkers' worth. Due to health regulations concerning some exhibits the judging of the IP was a nightmare, (reminiscent of placing IPs more than 25 years ago), for future years I think all exhibits must have equal health status.

AOVs led the way in the IP. Guilden Erin is a white AOV 1st kidder milking extremely well. She has a well attached udder with good "floor" and well placed teats. Very feminine, full of quality and just flows under the hand; her sibling Guilden Enya, was 3rd in the challenge, so a mating that "clicked". Ladeside Ladyria is another white AOV milker, a first kidder r/t with a 24 hour yield of 6.25kg. Another wellmade upstanding milker with a very nice, well attached udder with good teat placement. Best goatling, Rogerian Crannish, a large, rangy BS, just what the breed needs, full of quality. There were quite a few promising kids, I preferred the BS, Guilden Hilary, (a combination of Guilden/Toddbrook), for her growth, quality and size.

**JUDGES COMMENTS:**

Guilden Gwen a fine example of a sound dairy goat, great dairy quality body, milking extremely well running through. Ladeside Ladyrue another nice animal turned out in super goat condition. The Carrick goats had the best condition that I have seen for a long time. Great to see so many young exhibitors keep it up. Stewardship was second to none - congratulations Rachel Campbell. Very nice well run show - a pleasure to judge.

**JUDGES COMMENTS:**

First three in IP very close competition, BIS Poundroll Asha and her sister Amelia are super Toggenburgs of excellent type. Asha's AM yield of 3.95kgs cemented her claim of the top spot. Micean Judy, 2nd in IP, a lovely BS with a very neat well attached udder and well placed teats. Philday Follyrita, pure Saanen, super udder, needs more time. Best Goatling and Reserve nice examples of their breeds. A lovely show with good hospitality.

**JUDGES COMMENTS:**

A great pleasure to judge this show. The Aphrodite Herd took all of the top honours with Aphrodite Shannyn, a BT first kidder, winning best in show. She is an upstanding rangy goat with a very good udder and milking very well. I think she will be even better next year when running through and bodied up.

Aphrodite Arianne, a well grown BS was easily best goatling with Aphrodite Saira, daughter of the best in show, a well deserved best kid.

I was particularly taken with the quality of the Golden Guernseys at this show. Milk yields in general were on the low side for early August.

**BEST FEMALE KID** Guilden Hilary, **Res** Capitol Calypso

**JUDGES COMMENTS:**

An exceptionally high standard of goats in the AOV milker classes. Guilden Erin is a lovely goat who is milking well with good confirmation and a lovely udder. Guilden Enya and Ladeside Ladyrue ran her close but just couldn't compete with the attachment of the udder, size and position of the teats on Erin. Amongst the goatlings Rogierian Crannish stood out a beautifully balanced animal, Guilden Grace also looks very promising. Guilden Hilary a well grown BS kid took top honours with Capitol Calypso reserve.

**BEST FEMALE KID** Cornpitts Lagertha, **Res** Cossin Ckathy**JUDGES COMMENTS:**

An exceptionally friendly and well run goat section with some quality exhibits on show. Leatland Sonya continues to reign supreme and was a worthy best in show. She was followed by a large and smart first kidder, Cornpitts Lyona. Leatland Button, BS, is a very smart goatling and was followed by Cossin Why, AOV, for best goatling. Best kid was Cornpitts Lagertha, daughter of the reserve best in show with Cossin Ckathy reserve. My thanks to all of the Stewards and to a very capable Probationer Judge - Rachel Sparkes.

Some lovely animals, well turned out. Both Aphrodite Shamara and Nightshaze Minx stood out from the set - would have liked to see a little more milk though. A good day for the Chatterbox Herd, liked them very much. Well done all!

**JUDGES COMMENTS:**

A very well run and friendly show and a pleasure to judge. Lovely facilities which more people should make use of. Some lovely animals present led by Ashdene Calvinia whose length and presence took her to the top.

**JUDGES COMMENTS:**

A well run show in a superb setting worthy of greater support; the public footfall through the marquee was tremendous and there was a constant ringside of interested public. Not a huge entry but the Lyncol, Treval and Montrue herds provided plenty of quality. Lyncol Bettrina and Treval Ariadne two very good AOV milkers. Bettrina scored on milk, scope and size whilst I preferred Ariadne's udder but R/T she was carrying a little too much condition. Promising youngstock, the goatling Lyncol Rafiki going Best at her first show this season, whilst the kid Macoiya is of super size, not often seen in BS nowadays.

**JUDGES COMMENTS:**

Best in Show, the lovely pure Saanen Philday Follyrita, followed by Treflor Amara - both animals very worthy of the CC. Best goatling, Earls Henrietta - absolutely stunning - she has size, style and great ring presence - closely followed by another very smart AN - Sandell Tockie. Best kid, Emmadell Elsa, also impressed. Well done all.

**JUDGES COMMENTS:**

A very pleasant show to judge, with excellent stewarding. Ashdene Calvinia, looking and milking well, was a very worthy BIS. Yorgan Willow needs time to mature but is a quality first kidder. The Ardross youngstock were attractive, and I particularly liked the best kid, Ardross Flavour. The show offers good facilities - and excellent prize money - so I'm surprised that it's not better supported. Many thanks to all who helped make the day a success.

**JUDGES COMMENTS:**

A well run enjoyable show to judge with some quality goats forward. The day was somewhat marred when an exhibitor slipped on the wet grass damaging her hip, medical assistance was required and the exhibitor was taken to hospital. The Leatland goats excelled in their dairy qualities and yields whilst the Cossin youngstock was extremely well presented and augurs well for the future.

**JUDGES COMMENTS:**

It was a pleasure to return to Alresford - the quintessential English agricultural show. A low turnout, but what goats I had were of good quality. Ashdene Meadowsweet has matured nicely since I awarded her a CC 3 months earlier. Milking even better than when I saw her in June, she produced a very commendable, running-through morning yield of 3.45kgs.

Intermittent rain meant judging was mostly inside which didn't do exhibitors or judge any favours. Charnocks Bronelki was a lovely BT with well attached udder and giving 3.30kgs am milking - a worthy winner. Few BA's present but they were particularly noticeable for their good black and whites and all white goats were spotless. Promising youngstock with Aphrodite Arianne one to watch.
