### **JUDGES COMMENTS:**

Leatland Sonya, a lovely AOV milker running through with flowing topline and good udder. Treleth Dala a fine example of a Toggenburg. Goatlings Nightshaze Minx and Questant Klara were well grown and beautifully turned out as were the kids Willobrook Zinnia and Coppershel Melody - ones to watch in the future. A very pleasant and well run show with some lovely goats and few absentees.

With early morning mist on Emley Moor providing the backdrop to full udder inspection, the weather outlook for the day was uncertain. However, apart from the last few kid classes, judging was fortunately able to be conducted outdoors. A friendly, well-run show, mention must be made of the Mineshop herd which picked up many prizes including Best and Reserve with Mineshop Moraea and Mineshop Mulberrie respectively. Good quality young stock were presented in the goatling and kid classes with Best Goatling Treflor Amara and Best Kid Tenacres Pebbles taking top honours.

Kerborne Verity and Ffawydden Bianca took my eye amongst the goatlings. Some very promising kids headed by Willobrook Zyana, Aphrodite Sassandra, Klimova Helena and Aphrodite Shanell.

A very pleasant show just a pity about the lack of entries. Teilos Arian in fine form and milking well.

Ashdene Morgana a very promising goatling.

### **JUDGES COMMENTS:**

Alailah Daintymaid headed the line up at this enjoyable and relaxed county show. She is full of dairy quality with good bone and range. Both Daintymaid and my reserve, Cossin Chai were immaculately presented and were a pleasure to handle. Whilst youngstock classes were generally not well supported, there were quality animals forward for many of the herds, with Norbarton Ivy, Cossin Chelly, Nightshaze Lillie and Kerborne Dannika taking top honours in their age groups. Pleasing to meet several newcomers to goat keeping - keep up the good work.

A particularly strong AOV milker class easily produced the Best and Reserve best In Show. Two lovely milkers both full of quality which later in the grand parade, proved more than a match for winners from other livestock sections. Promising youngstock including some super kids by Aphrodite Samar

**JUDGES COMMENTS:**

Well run show with excellent facilities. Leatland herd took top honours - Leaf just pipping her stable-mate Sonya on the day primarily because Leaf was right up on her toes demanding the CC whilst Sonya, as a running through 1st kidder at the end of the season, looked a little tired and lacked that certain *je ne sais quoi* that, for me, all Best In Show goats need to possess.

A nice show, lovely venue and good stewards. The majority of milk yields disappointingly low, which reflected in my placings and awards. However, Aphrodite Shamara easily took top honours being superior in condition, conformation, udder and style. Leatland Heidi, Reserve Best In Show, milking well running through for the second year. Best Goatling/Kids and reserves all quality animals. Note: for the time of year, a number of animals, in all age groups, lacked condition, development and growth.

A newly recognised show held in a spacious mart in Lanark. Although the number of entries was low, those that were present were of a high standard and exhibitors were full of enthusiasm. Lovelsglen Donner is a very smart upstanding AOV first kidder with a very tidy udder. This late show deserves greater support and I hope establishes itself on the show calendar.

**JUDGES COMMENTS:**

A top quality line up of dairy goats at this end of the season show with at least the top 7 in the IP line up being CC winners at other shows. Theban Camellia has the range, size and capacity expected in the British Toggenburg breed, coupled with a superb running through yield. Treval Ariadne is a neat and eye catching AOV. Well filled and quality youngstock classes added to the enjoyment of judging at this show. Ashdene Morgana stood out from the crowd in the youngstock classes - beautifully presented and full of dairy quality. Top quality exhibits from the Ashdene, Anjo, Mineshop, Treval and Sandell/Emmadell herds on show.
