JUDGES COMMENTS:

A pity there were not more goats present as Newark Showground has excellent facilities. Montrou Meru and Montrou Perceive were worthy winners. Meru just shows herself and has lovely flowing lines. Anjo Cally, Emmadell Milly stood out amongst the goatlings.

JUDGES COMMENTS:

A lovely show to judge with a large entry of quality dairy goats. Theban Camellia and Mineshop Moraea were good balanced dairy goats - first kidders running through and milking well. Theban Camellia having the advantage over the Reserve due to her dairyness and rear udder attachment. I also must mention the imported Anglo Nubian Chaviva and Klimova Lucia - both outstanding and difficult split. A very well run and friendly show and a very professional ring steward which makes a very long day much easier.

JUDGES COMMENTS:

Leatland Sonya stood out for Best In Show immaculately presented and with a good yield for a 1st kidder running through. Reserve Leatland Leaf a mature rangy BT 1st kidder with a good udder, closely followed by Gorsefield Magyk. Ardross Cleopatra and Questant Klara two promising goatlings. My thanks to the stewards and exhibitors who were cheerful and upbeat despite the mud.

BEST FEMALE KID Klimova Helena, Res: Highschool Jamanda

JUDGES COMMENTS:

BIS was Cheswell Kiara a beautiful BT first kidder running through with a lovely udder and a good show of milk. Her full sister, Cheswell Kiara, was reserve and is equally lovely, but I just preferred Kiara's stature.

Well worth a 450 mile round trip to see them! Another Cheswell BT was best goatling closely followed by Poplartime Karisma. Of the kids Klimova Helena and Highschool Jamanda caught my eye.

JUDGES COMMENTS:

For the first time ever I judged inside all day - my spirits however were lifted by the quality of the stock forward - exemplified by the Ashdene and Mineshop herds. Theban Camellia, having wintered well, has matured into a lovely animal. She just pipped her high yielding stable mate, Arian and the two Mineshops - the younger Mulberrie just edging Moraea on the day.
