The "Chamberlain" Challenge Trophy awarded to Churchview Salubrious

JUDGES COMMENTS:

Churchview Salubrious an easy winner, has style and substance, moves well and has an attractive udder of good texture with well placed teats. Boghill herd milking well with decent udders. Three reasonable BA's forward, all different types. There was quite a large audience from the public too.

JUDGES COMMENTS:

Strongest competition came from superb Anglo Nubian and British Toggenburg classes in which beautiful breed types were matched with high yields. I note that the top two AN's are both imports and the top three BT's were Welsh bred from the same stable. Imported Chaviva and Teilos Arian are animals of distinction with Mineshop Mulberrie a beautiful BS in close pursuit.

JUDGES COMMENTS:

Churchview Salubrious a very classy BS shown in excellent condition. Reserve Kindur Martini a large rangy BS milking well as a 1st kidder running through. The am yields were excellent - highest being 5.7kgs. Best and reserve best goatling were Boghill Dreamy and Boghill Lotus with little to choose between them and, as with all the Boghill herd, turned out immaculately. Enthusiastic exhibitors and a lovely sunny day made this show a pleasure to judge.

A wonderful agricultural show in a beautiful setting. The goat classes contained some fine animals but this show deserves far better support. Val Wood & Tevor Maddison should be congratulated on all of the work they put in to making this such an enjoyable and efficient goat section.

Treval Ariadne looking in fine form. She has matured into a lovely goat and deserves all of her awards.

Montrue Mtomaziwa is a lovely BS but needs more time to sort out her coat and put on more condition. A special mention must be made of Montrue Perceive who gave a morning yield of 5.05kgs.

I also want to mention the beautiful class of Golden and British Guernsey milkers, all from the same herd and shown in immaculate condition. They looked an absolute picture in the ring.

Best Goating was an upstanding BS, Montrue Maku and best kid a well grown AOV, Lyncol Baridi

BEST FEMALE KID Hetherton Pslady, **Res** Jemaly Luzula

The Mostyn Marigold Challenge Cup awarded to Mineshop Mulberrie.

JUDGES COMMENTS:

Mineshop Mulberrie has produced well and gave a very commendable morning yield of 3.5kg running through. Having always produced large upstanding British Saanen's myself I would ideally have liked her a touch bigger. However, it's quality rather than size that matters and she oozes quality. I was pleased to find I had awarded a well deserved BCC to a Golden whose sire I had previously awarded a CC to.

A nice show, with some quality goats forward. Anjo Cordelia reigned supreme, she has maturity, milk and a superb udder. All BCC winners oozed style and had good udders. A pleasure to judge.

JUDGES COMMENTS:

Leatland Sonya on top form, milking well and shown in full bloom. She was very closely followed by her stablemate, Leatland Ribbon, a fine upstanding BS. Norbarton Ivy and Cossin Chai also worthy of mention. I was particularly pleased to see a decent class of British Alpine milkers with good udders, just needing a drop more milk. Best Goatling was a BT, Aphrodite Sassandra. Well grown and shown in immaculate condition. Reserve best goatling was a pure Saanen, Timyon Minisusie. Best kid was Cossin Why. Thank you to Wendy Webster and her team of helpers.

JUDGES COMMENTS:

Teilos Alicia looking the ultimate in dairification and her am 4.5kg yield as a first kidder running through secured her above the enterprising Mineshop Mulberrie who also milked so very well. The quality of the Anjo team leaves a memorable impression. Some tremendous yields and very promising youngstock in all classes. A well run show.

JUDGES COMMENTS:

Best In Show Leatland Sonya a lovely dairy animal, perfect conformation and excellent udder, with a nice milk yield. Closely followed by a lovely BT Leatland Leaf. The whole Leatland team were outstanding in conformation and show condition. Baggerbush Primrose the best Golden Guernsey I have ever judged.

Lovely show to judge with excellent stewards.

An excellent place to have a goat show. A disappointing entry of males and females overall. This show warrants greater support. A pleasure to judge.

Lovely setting for a show. A small entry but some good quality animals present. The Golden Guernsey's present were all good breed type and all with strong pasterns and hocks. This breed is improving all the time.

Arian and Mulberrie continue to compete for top honours. Two lovely quality animals impeccably presented and high yielding. Depressing shortage of youngstock in both goatling and kid classes, however spirits lifted in the future promise and elegance of the Best and Reserve Mineshop goatlings.

JUDGES COMMENTS:

Ashdene Merlin was an easy CC winner, full of quality and in top condition. He also sired the reserve best buckling, Ashdene Moses, who is also a quality British Saanen who just needs time to mature. Mineshop Chabela is a super type Anglo-Nubian with excellent bone and strong back end. Youngstock classes were unfortunately not supported well, but my best goatling Mineshop Madelaine was very eye-catching and was an easy choice in the female classes.
