### JUDGES COMMENTS:

A lovely team of Klimova Anglo Nubians of all ages presented and shown to perfection. Their quality and colour variations evoked memories of the Berkham era. The first kidder Khadija has a superb fore attached vessel and is milking very well.

Generally however am yields were, with only several exceptions, very disappointing. Some tidy BT milkers that could not deliver were especially culprits. The acute shortage of AOV stock in all departments an issue of concern. That section of the Herd Book being an important reservoir for future breeding.

An enthusiastic band of exhibitors all worked well multi-tasking together, to manage the shortage of stewards and ensure that the day went well as it did. Thank you.
