JUDGES COMMENTS:

The end of an era with this the very last Autumn Exhibition show of goats. A nostalgic day when many happy memories were shared over lunch by exhibitors, stewards and friends. Also by myself having judged the show I think four times over as many decades.

With only 9 milkers present my task was hardly mind bending, however the quality was excellent in truth (no need for a positive spin). Every milker was worthy of certification, with the majority having been awarded CCs in the course of the year. Some very good am yields given the lateness of the event. Lyncol Bettrina my Best in Show oozes dairy quality and ticks all the boxes for dairy conformation and productivity. Reserve to her, Anjo Carly, a high yielding BT, with a lovely shaped and well fixed udder, just not the length of backline of the AOV but the fore view and yield just placed her as reserve over the very smart Montrue BS in the IP. The Anjo Herd has tremendous promise in the youngstock exhibited with Best Goatling Anjo Crystal and Best Kid Anjo Charity, the latter especially, making a memorable impression.

Thanks must go to those members past and present of the Cambridgeshire Goat Society who have worked over the years in the service of this show and to all exhibitors likewise who have supported both this Autumn event and the also defunct East of England Show. Two great losses to public and goatkeeping enjoyment.
