JUDGES COMMENTS:

It was a great pleasure to judge the annual British Alpine Breed Show at Newark. My thanks go to Jessica Hagain who was a first class ring steward.

I was particularly pleased to see a decent turn out of good quality British Alpine milkers. All five present in the 2nd and subsequent kidders class and the winner of the first kidders class were worthy of BCC's and full of quality. The breed has been in doldrums in recent years but there are now signs of a revival in quality and quantity. Kerborne Dannika was a worthy best in show. She has good length and topline, together with a tidy udder. Eskdale Gazinia was a close challenger and just needs more time to body up.

Wedgewood Suhura is a most impressive goatling - large and upstanding. It will be interesting to see how she turns out as a milker next year. Montrue Tzura looks to be following in her illustrious dam's footsteps.

It was a shame not to see more male goats at the show but Horsehay Cedewi deserved his rosette for Best Male.
