**JUDGES COMMENTS:**

Ashdene Meadowsweet looks superb this year - she is a real dairy animal - lovely udder and teats, good conformation and excellent milk yield. Her stablemate, the 1st kidder, Ashdene Almond is a credit to the breed with a yield of 5.6kg on the day. Although only a small entry some top quality goats present, unfortunately one or two did not milk to their potential otherwise positions near the top could have been different. Hurstpier and Ashdene youngstock stood out. Hurstpier Vera a lovely AN goatling with size and quality. The BS kid Ashdene Meringue just flowed.
