JUDGES COMMENTS:

Best & reserve in show were two very nice first kidders showing plenty of scope and milking well. Best being Derek Knowles' BT, Wrotham Tadena which with a bit more time is one to look out for. Needed summer coat and a bit more maturity, but still well worthy of the CC. Reserve was C Nye's, Mineshop Binita, with an exceptional yield for an AN first kidder 5.90kgs (24hr). I remember when you didn't even get that 3rd or 4th lactation. Close, but overall Tadena had the slight edge with a shapelier udder.

A very smart Saanen goatling of strong breed type, Binary Anna lead the way with Anjo Crystal hot on her tail. A distinct lack of kids, though Anjo Camelia was an easy best kid.
