### JUDGES COMMENTS:

Held under Emley Moor Tower, at 1,084ft the tallest freestanding structure in the UK, the views over West Yorkshire from the showground, are unrivalled. A good entry was unfortunately spoilt by absentees, but the show facilities and stewarding were excellent and some high class animals made judging enjoyable. Micean Juliet is a rangy BS with good udder and milk yield followed by a very neat pure Saanen Treflor Rio, also milking well. Of the goatlings, Micean Alison is a rangy quality BS and Kinmea Siobhan a very striking AN. Best of the kids were Maxson Sheaber a well grown AOV and the AN Kinmea Esme.
