JUDGES COMMENTS:

A disappointing entry in both breeds but some good goats present. I was sorry to be unable to award the female GG BCC due to a severe shortage of milk. Topgold Bramble an extremely pretty goat of good type. Alewater Grace and Topgold Elisena are two promising goatlings and Goldspin Creamsoda and Topgold Fern are attractive female kids.

Alewater Giovanna is an impressive GG buckling with a good topline and length and was my choice for best male goat. Vicarshill Vincent was reserve.

Plenty of enthusiasm from the exhibitors but the show would benefit greatly from better support.
