JUDGES COMMENTS:

Disappointing number of males present with only 2 adult and 3 male kids. However, both BS adult males were of a good quality. Between the two I preferred the scope and range of Rogerian Crannog.

JUDGES COMMENTS:

Four quality goats at the top of the I.P. line up and all milking well. On the day though I just preferred Guilden Erin over her BT stablemate, Gretel. The Guilden Herd continue to put forward animals of a very high standard and I only hope their magnificent British Saanen goatling fulfils her potential.
