JUDGES COMMENTS:

Outstanding BS male, Rogerian Crannog, best. Good, strong and solid showing off breed and dairy type without compromising masculinity. One of the best looking BS males I've seen in a while. Easily beat the reserve, Togg. Wilowriver Schwartz who was of CC standard.

Shame there wasn't more males as standards were high. I liked all the kids led by Drumturk Cossack (T), showing style and breed type.

JUDGES COMMENTS:

First impressions the white milkers looked very well fed. Top was Ladeside Ladyria, 4 year old white AOV in super condition with super length and milking well, 3.80kg am. Reserve Homeacres Hannamay, a 7 year old BS looking extremely good for age, still strong on pasterns and 3.95kgs am yield. Hannamay's quality followed through to her herd companions in best and reserve goatling H. Henna and H. Hari, both well grown showing good BS type. Best kid a very worthy BS with a string of whites being broken by a stylish AOV brown kid reserve. First kidders looked very promising for future when matured a bit more.
