### JUDGES COMMENTS:

A small entry for a County Show but understandable so early in the season; however, what were forward were representative of the breeds as no BCCs were with-held. The AOV milker, Lyncol Bettrina, carried the day with an impressive yield of 4.35kgs. She is a large, long, deep-bodied goat, full of quality with an impressive udder well attached fore and aft with neat teats. Reserve was the BS 1st kidder Montrue Mtombili with an am yield of 3.65kgs. Another with an all round well attached udder with a good floor when full. The BS, Montrue Macoiya, topped the small entry of goatlings, a well grown quality animal of good breed type whilst the AOV kid, Montrue Mbeaty, has length and shows promise.
