JUDGES COMMENTS:

The BT Cheswell Kiora continues to milk very well and at six years of age keeps a firm hold on a shapely udder well attached to a well constructed body frame. She remains sound in feet and locomotion. Klimova Khadija has a superb fore attachment supporting a shapely vessel. Overall the AN classes were the most consistent in type with a pair of lovely AN kids from the Klimova herd taking Best Kid and Reserve. The Best Goatling BA Kerborne Della is a topper. I hope she fullfills the promise next year. She was just ahead of a very smart AN. Two neat and desirable milkers Timyon Deedee (S) and Yorgan Willow (AOV) also have definite futures if they can raise their yields next season. This was a super show to judge with a very well run section. An excellent team of knowledgeable stewards supported by the skilled leadership of Joan Stevens, a stalwart who has run the goat section at Usk Show for 26 years.
