JUDGES COMMENTS:

A high scoring day for both Montrue and Lyncol Herds in adult and junior classes in collecting "Breeders Cup" points. Lyncol Bettrina a lovely quality goat, super length and topline, just preferred on these and teat placement to an also high yielding, very nice, BS Montrue Mtombili. The pure Saanen kidded goatling Treflor Renee ahead of her time also milking extremely well and likewise presented immaculately. All of the few milkers present were worthy of certification. The gales and deluge hitting the west doubtless contributed to the high absenteeism of stock entered at this lovely sited autumn county show.
