### **JUDGES COMMENTS:**

Despite the rain, this was a well run show. The stewards and exhibitors were very friendly and each time I have judged in this region, I have been made to feel most welcome. My best in show Leatland Sonya stood out as a shining example of how a good animal can last year on year, her udder is still beautifully attached, she's well up on her pasterns and still has that fantastic top line. Most of the animals brought forward were of fantastic condition and very well presented, which as judges we appreciate, are pleased to see.

Mention must also go to the Cossin herd show in impeccable manner as usual, and showing that a small herd can produce good strong hard working stock year on year. I particularly like the BA goatling Norbarton Ebonyrose, with good solid black and white, good bone and hopefully one to watch out for next year!
