JUDGES COMMENTS:

The last time I attended this show was thirty-eight years ago, and I was impressed with how agricultural it still was: something that cannot be said for all of them now unfortunately. My best in show line-up looked a picture - a shame the only bit of rain for weeks should drive us inside for this event. A pity too, as it was a regional AN Breed Show, that for a variety of reasons there were not more AN's present.
