JUDGES REPORT:

A small entry but some good quality males present. BIS was Nightshaze Larkspur, a mature, rangy and strongly made BT. Reserve was Mineshop Chaitan, a very impressive AN who did not move as well on the day. Guilden Griff is very sound and has tremendous length but needs time to mature.

JUDGES COMMENTS:

Wonderful weather for this time of the year probably helped to ensure that there were few absentees in a strong entry. The show facilities and stewarding were excellent and the quality of the animals made judging enjoyable on this picturesque showground. Ashdene Morgana is a mature and elegant milker with a good udder and milk yield. She was closely followed by Kerborne Verity, a rangy BA in superb condition with good udder and yield. Best of the goatlings were Mineshop Dea and Ashdene Meadowflower.
