JUDGES COMMENTS:

Probably the most picturesque setting I have had the pleasure to judge. Despite a small entry there were some top-quality goats on display, headed by Kerborne Verity. Her depth of body, shapely udder and morning yield of 3.6kg on such a hot day justified her place at the top of the line. Close behind was the British Saanen, Nightshaze Tottie, shown in the peak condition and milking well running through. My best goatling, Chatterbox Skylark, won on her length, style and quality. Best kid went to Nightshaze Floozy, a half sister to Tottie. She has super presence and is full of promise. Impeccably run by the extended Bull family, this show would benefit from more support, especially when the show society are keen to see the goat section flourish.
