JUDGES COMMENTS:

A small entry but some good quality males present. BIS was Montrue Mandela a strongly made BS adult male closely followed by Lyncol Belingo a very smart AOV buckling. Both Kerryjo male kids promise well for the future, and all were shown in immaculate condition.

JUDGES COMMENTS:

Wonderful weather and wonderful goats! Their owners and breeders must be congratulated for producing such excellent stock in beautiful condition for an early show. I doubt that I will see a better

top six in an IPCC this year. Boghill Bluestar's maturity and ability to run-through narrowly put her in front of Aughavey Annafried, who has the most beautiful udder, but needs time to mature. Both gave amazing yields for first kidders, with Bluestar producing 4.7kgs at the am milking, running through and Annafried 4.85kgs. I could happily have awarded CC's to all of the top six. Best of the goatlings were the very striking AN Kerryjo Penelope and her stablemate Kerryjo Bahati. Many absentees amongst the kids but the quality of the Mollymeg full sisters stood out. My thanks to the Northern Ireland Goat Club for its great hospitality.
