BEST BUCKLING Ardross Gliath, **Res** Gorsefield Mynos

BEST MALE KID Montrue Mufasa, **Res** Homeacres Huntly

JUDGES COMMENTS:

A rather lean entry of male exhibits which has become the norm, however quality prevailed in these classes with a large and impressive BS buckling Ardross Gliath taking top honours or best exhibit over a smart and sound pure Saanen adult Lyncol Raaj. Both moved well with neat shoulders, sound hocks and good pasterns.

A good selection of male kids across the breeds if not numerically within classes.

I found them all true to expected breed type.

Montrue Mufasa stood out in the line up on quality, bone and masculinity to be my chosen best male kid followed by Homeacres Huntly, a very dairy type well grown BS kid.

The presentation of all male exhibits of all ages was impeccable and they were a pleasure to handle and judge.

JUDGES COMMENTS:

A most impressive IP line up with the first 8 animals all being of challenge certificate standard. There were some excellent yields, inspite of the heat, which I took as being the reason that quite a number of animals never followed through from the previous day breed shows.

Best exhibit Mineshop Madelaine is a lovely BS, with an aura that in the bright sunshine, radiated her dairy quality and she was to head my IP followed by two very smart BT's. Anjo Cordelia aged 7, remaining mechanically sound and milking very well running through, who by appraisal was able to be reserve BIS, beating a more junior smart Wrotham Tadena.

The ANs from the Baldock herd I found eye catching and impressive being shown to perfection as were the AOV goats from the Treval herd, with goatlings and kids especially promising and from which, I selected my best youngstock exhibits.
