JUDGES COMMENTS:

This is the sort of show I enjoy; excellent facilities, cheerful friendly exhibitors combined with goats it was a joy to judge. I thought both milkers at the top of the IP to be superb. Wrotham Tadena, a BT 2nd kidder, is a super dairy animal of good breed type and structure. A well attached udder with good teats which keeps its shape after milking. Forasmile Aero, a BT type AOV, is of similar shape and structure to Tadena, milking extremely well with a well attached udder, but to be "nit-picking" its floor is not so attractive when empty. The BT youngstock of the Chatterbox herd is most impressive winning best goatling and reserve, best kid and reserve. All of them are well grown, quality animals of excellent breed type, the next couple of years will be interesting for the Bull family.
