BEST BUCKLING Ardross Gliath, **Res** Hawnelands Elfaro

BEST MALE KID Drumturk Cylffin, **Res** Caprabella Arrow

JUDGES COMMENTS:

Best male a really strong boned Toggenburg Kerborne Chase, solid all round and true to breed type. Reserve a good sized mature BS buckling Ardross Gliath, a fine example of the breed. Best male kid also led by the Toggenburgs, showing how high a standard (male and female) was being exhibited at this breed society show that is incorporated into Shrewsbury. Drumturk Cylffin, developing well in bone and body with excellent breed type. He was followed by a very stylish smart AN Caprabella Arrow, could have been top but not showing quite the maturity yet that is coming through on Cylffin. Over both the females and males I went hoping to be handling 3 Toggenburg herds in particular, only the Sugarmill were there, however the other Toggenburgs certainly didn't disappoint either.

BGS Cup/Trophy: The "Andrew Roddick" Challenge Cup awarded to Kindur Madichi.

JUDGES COMMENTS:

Best in show Kindur Madichi, a first kidder rt 2.70kg am, rangy British Saanen, excellent dairy type narrowly beating the Toggenburg, Sugarmill Violet (3.00kg am). Super examples of breeds with good quantity of milk which balanced out when considering breed, age and length of time kidded, so could have been other way round except Violet had a very slightly uneven udder.

Hudds Fifi a superb Golden Guernsey led the goatlings and some very smart Guernsey kids.

Ysguborfawr Mefus, stylish Toggenburg kid with good bone structure beating the BT for best kid.

Some strong contenders in youngstock.

Very pleasing to see such an extremely high standard in the Toggenburgs as it is incorporating a breed society show. Quite a bit of milk too, top two giving more than the BT's. Charlgrove Garnet gave 3.55kg am.
