JUDGES COMMENTS:

I last judged this show in 1987. From that occasion I have several memories; 48 goats in the IP line-up, Miss Mostyn Owen as an exhibitor and Henry Nettleton as steward - 2 great goat characters who

live on in our memories. This year will be another memorable show, in particular for the strong entry and competitive classes, being held well into a heat wave.

Guilden Erin a large and lovely goat in her prime, looking and milking really well, has great presence and moves around the ring well, all combined to make her an outstanding exhibit and a deserving winner. The next few placings were more difficult. Montrue Maya shown in the absolute peak of condition with a lot of milk and an impressive fore udder. Treflor Renee is a lovely goat and what a hard worker for such a young goat and running through. Hunningley Zoshia cuts a very fine picture with a full udder, doesn't milk out quite as well as the 3 white goats in front of her, but a beautiful BA who I liked very much. Wrotham Tadena a tall imposing BT, has lost the advantage of milk she had earlier in the season which cost her some places. Guilden Enya twin to Erin, overshadowed by her sister but nevertheless a big sound well made animal.

I must also mention the Saanen milker class; 6 entrants all with lovely udders and milking well, several of them reminiscent of the old Springfield type that did so much for milk goats in the UK.
