### JUDGES COMMENTS:

A very well-run show, with excellent facilities. A reasonable entry considering the heat, and duration of the show, with some lovely animals. BIS a quality BS milking well running through, closely followed by an upstanding BT with a very good udder and another BS first-kidder milking very well, but just needing a little more condition to challenge the BIS and Res. Very few goatlings, although some good ones amongst them, with a smart AN best. A better entry of kids, which promises well for the future. Super stewarding all round, which always helps things run smoothly - very many thanks to all concerned with the organisation.
