JUDGES COMMENTS:

Best in show Maxson Shelagh from the Hagain family. Very good dairy type and milking well at 3.6kgs am. Shame teats set a little high though. Reserve Friarlea Idwen (BA) of good breed type, first kidder running through at 2.25kg am. First AN very good breed standard but unfortunately not enough milk to award BCC. However as a first kidder AN running through quite commendable. Youngstock fairly good standard throughout, shame as with the milkers so few of them. Interesting to note best milker and best goatling Maxson Sheaber, were both out of Maxson Shelac. Some decent kids headed by Strawbarn Hebe. I've judged and exhibited here before, certainly a show that deserves good support.
