JUDGES COMMENTS:

Class of the day, the BS milkers, was headed by Res BIS Nightshaze Tottie, a lovely animal, really upright and perky with a shapely and well attached udder. BIS however went to Cossin Why, she has matured into a very elegant milker, brim full of quality and again with super udder conformation. I was also impressed by some well made and milky BA/BA types. A most pleasant day, topped off by a surprise reunion with some dear old friends particularly for whom I was pleased to see a number of quality Saanens too.
