JUDGES COMMENTS:

A superb show with excellent facilities, (and good prize money!) I have not changed my view of Forasmile Aero from when I judged her earlier in the season. She is a large BT type AOV full of dairy qualities, with a well attached udder which is just a little uneven. She was followed by another AOV, the white BS type Ardross Flavour. Another well attached udder and good teats and milking well.... I just preferred the "flow" of Aero. The youngstock of the Bull family was to the fore, well grown, of excellent breed type and superbly presented.
