JUDGES COMMENTS:

The show facilities and stewarding were excellent and deserve a large entry. However there were some top quality animals present, which made judging enjoyable on a very pleasant Autumn morning. Anjo Crystal was BIS and is a lovely first kidder with a shapely well attached udder and a good show of milk. She just held off her stablemate, Anjo Carly, who is running through, and to my eye needed slightly less body and slightly more milk. Best of the goatlings were the very strongly made Anjo Charity and the very promising Prastens Pasithia. Very few kids to choose from, but I liked both Jemaly Hazel and Topgold Galtonia.
