JUDGES COMMENTS:

A well run show which is moving forward with increasing popularity. White goats definitely predominant with the very nice pure Saanen Treflor Renee making her mark once again in both visual and productive roles. Montrue Maya also close to heel. Some very promising youngstock from the Treflor, Lyncol, Treval and Montrue herds especially, with the Dalestone goats now beginning to make their mark and founded well on the above bloodlines. The low number of BT, AN and T exhibitors for our area is a sad truth whilst the GG and BG from Northumberland and the borders provide good competition numerically to keep the judging brain active!
