### **JUDGES COMMENTS:**

Good sound Saanen of lovely breed type, Treflor Renee at the top. Milked well 2.5kg am RT. She was followed by HB Treval Aliola, good dairy type but had a very slightly uneven udder if you looked closely, as did a lot of the milkers on close inspection. Montrue Mtombili deserves special mention for this late in the season 3.40kg am RT. Some very nice youngstock, most classes very close at the top of the class. Also, a few contenders for best kid and goatling. The Treval herd in particular showed their dominance in the youngstock.
