JUDGES COMMENTS:

Despite standards being good Anjo Crystal was a very easy, Best, first kidder running through 3.05 kg am. She has grown and matured well over the winter. Her frame and body helping to make her one fo the best you'll ever see. A very slight thing her udder is so wide when full her legs are forced to curve round it to walk. So I hope she has the strength to last several years. Reserve was a well built BS again a first kidder running through with a high 3.50kg am yield. Very promising youngstock for the future, good standard throughout.
