JUDGES COMMENTS:
Overnight rain meant a very wet and muddy showground, but with no further rain on the day itself goats were shown outside. While BTs and ANs had the largest numbers of milkers, the BGS rosette went to a BS and reserve to the AOV. Some excellent am milk yields around the 4 kg mark. Modest numbers of young stock but showing quality across the classes. Males were in short supply but BCCs went to all the eligible breeds shown, so again quality very much evident.
