**JUDGES COMMENTS:**

Many of the goats still in winter coats. Likewise the few kids present were not cast. A number of uneven udders and poor fore attachments were a major detraction. Hetherton Koredan milks well and has a nice udder and teats being tidier in the vessel than her runner up, she needs time to come into show bloom. The Mineshop Nubians I liked very much, eloquent in deportment, size and style and with more milk the class winner Aaliya could have topped the line-up. A really smart goatling too Charaya impressed me. A very well run show and a pleasure to judge.
