JUDGES COMMENTS:

Good to see a reasonable entry of male goats considering the general trend.

Some good quality animals on display. I particularly liked Ardross Glenclara, a well-built adult British Saanen and Ashdene Abraham, an upstanding Anglo Nubian. Both shown in excellent condition. Ardross Harley, Marshvalley Apollo and Mineshop Melton are all smart bucklings that will improve with maturity.

Waiverlane Tzaren caught my eye. He is a well grown British Alpine male kid and was closely followed by Kinmea Soloman, an attractive Anglo Nubian kid.

JUDGES COMMENTS:

It was an absolute honour to judge this, the first BGS National Goat Show. The venue and facilities were perfect, and the entry was large. My thanks to the hard-working stewards who managed to keep the classes flowing on what was a very hot day.

Some very large classes to judge, particularly in the AN and GG sections. The show followed on from the Breed Shows held on the day before.

I was impressed by the general quality of the exhibits and with many of the milk yields. Dalestone Annabelle is a large white AOV first kidder running through, shown in excellent condition and milking extremely heavily with a morning yield of 4.10kgs. She was closely followed by Anjo Crystal, another

AOV with a beautifully shaped and attached udder. The BT milkers class contained some beautiful representatives of the breed and all six exhibits gave a morning yield of 3kgs and above. Treflor Renee is a lovely pure Saanen and is milking very heavily. Quality in the youngstock classes showed great promise for future generations with best goatling and best kid coming from the Montrue herd.
