### **JUDGES COMMENTS:**

Lean times! Best male sound in all departments and of good type with good topline and hind quarters. His maturity gave him advantage over a well grown and smart buckling impeccably presented. Only two male kids with little to choose save the first was less steep at the rump. A very well run show.

### **JUDGES COMMENTS:**

A high number of absentees for a variety of unfortunate reasons. Nevertheless the quality of stock of all ages was excellent. The Dalestone Herd made an impact and pretty much a clean sweep across the board. BIS a lovely dairy animal of true quality yielding almost 8kgs as a runner through in first lactation. The young stock from this herd show great promise and style.
