JUDGES COMMENTS:

BIS and Res BIS outstanding examples of their respective breeds. Worthy of special mention in 3rd IP position is Alailah Daintymaid. At 8 years old, kidding this year, and milking 5.9 kg in 24 hours, she still has sound conformation and articulation together with a well attached udder both fore and aft - a tremendous tribute to her breeding and management. Young stock showed great promise for the future. This is a very well run show - thanks to Dave Wharmby and his team.
