JUDGES COMMENTS:

A reasonable entry of good quality males.

I particularly liked Homeacres Harper, a well-built BS buckling. He has excellent bone, great length and was shown in immaculate condition - a credit to his owner.

Reserve best male went to Ashdene Absalom, a large AN of excellent breed type.

JUDGES COMMENTS:

A thoroughly enjoyable visit to Scotland to judge the Culduthel goat show. Excellent hospitality, professional stewarding and a well-run show.

Although there was a low entry for this long-distance show, it serves a purpose for goat keepers in the north of Scotland and there were no absentees in the dairy goat section. The show also caters for Boer goats.

Guilden Topaz looked and milked well and thoroughly deserved top honours. She has the most shapely udder and milks very well. Reserve best went to Kaverquil Anais, a very attractive BT milking heavily. She is a large upstanding goat who should do well in larger classes. Rogerian Crannish is a good example of the BS breed and milking well.

Best goatling was Homeacres Helienna, a lovely BS and Guilden Evita, AOV was reserve.

There was a low entry of female kids but those that were there were shown in good condition and were of a high quality. I particularly liked Kaverquil Matilda, a daughter of the reserve best in show.
