### **JUDGES COMMENTS:**

Best in show a well boned, put together AN with good topline, body, strong-legged and very neat udder with a reasonable yield for a first kidder. Treval Jersey did have the advantage of an extra year's growth before kidding and it showed. Reserve was a very nice BA of good breed type, Carrick Alexa. Special mention Carrick Bonny 3rd IP looking really good at 8. Generally udders were disappointing though. The best, true to breed type overall I felt, were the English, but very poor udders. Shame the BGS don't represent them as a breed. Some nice youngstock.
