JUDGES COMMENTS:

Unsurprisingly, unlike the sheep section which had over 2,500 entries, there was only a small goat entry. However, there were some good goats present. Mineshop Maia was easily best; she is refined, elegant and milking through extremely well. I gave the AN, Mineshop Aaliya, the reserve ticket. Although she could have done with some of her stablemate's milk, her quality and presence were traits I could not ignore. Some good youngstock in attendance which contributed to a very pleasing final line-up.
