JUDGES COMMENTS:

Two great examples of British dairy goats at the top! Ashdene Almond easily smashed the top spot, with elegance, style, breed type and a morning yield of 4.1kg. Cornpitts Lola, still has some maturing to do, but has a lovely udder that was very impressive at udder inspection, 3.6kg am yield. I also liked Ashdene Monicajoan, a kidded yearling, that has kept growing and maturing, with a decent yield and well attached udder. Best goatling and best kid also impressed.
